MILLSTONE TOWNSHIP
MIDDLE SCHOOL

Millstone Middle School
Math Placement
Grade Six

In grade six, we have two options of mathematics instruction. Most students are placed in our *Grade 6 Math,* covering a wide range of mathematical topics appropriate for 6th graders. Some students are placed in *Grade 6 Math Honors*, providing an introduction to the language and usage of algebraic concepts.

In an effort to place each student at a level that ensures both success and challenge, we look carefully at the following measures:

- LinkIt! Form C
- End of Year 5th grade Assessment
- Advanced Problem Solving Test

A student's performance on each of the measures is assigned a point value according to the tables provided below. Students who score 14 - 19 points are placed in the *Grade 6 Math Honors*. Students who score below 14 points are placed in *Grade 6 Math,* with enrichment as needed.

Math placement is not an exact science. Nevertheless, the score threshold we have established has proven to be a reliable predictor of success. Should you have any questions about the placement of your student please feel free to contact Mrs. Lauren Dominick, Millstone Middle School Principal at LDominick@millstone.k12.nj.us

Thank you for your interest in our math placement process and in the education of your child.

Sincerely,
Dr. Paul Baker
Director of Curriculum and Instruction

Millstone Township School District
Math Placement Criteria
For Grade 6

LinkIt! Form C	
Exceeding	4
Meeting	3
Bubble	2
Approaching	1
Partially Meeting/ Did Not Meet	0

End of Year 5th Grade Assessment		Advanced Problem Solving Test	
95%-100%	5	13-17 points	10
90%-94%	4	10-12 points	8
85%-89%	3	7-9 points	6
80%-84%	2	5-6 points	4
75%-79%	1	3-4 points	2
Below 75%	0	0-2 points	0

Student Score: _____

Placement: _____
