LATHROP HIGH SCHOOL

PARKING PERMIT INFORMATION 2026-27

PERMIT MUST BE RENEWED EVERY SCHOOL YEAR

DEAR PARENT OR GUARDIAN:

Pursuant to Vehicle Code 21113, the parking regulations of Lathrop High School are as follows:

1. Parking is only for students, staff, and approved guests.
2. All vehicles must be registered with the school office, and a parking permit must be clearly displayed.
   - If a vehicle is not registered or the permit is not displayed, consequences may include detention, towing, or loss of parking privileges.
3. Visitors parked in designated guest parking must check in with the Administration Office when they arrive on campus.
4. Parking outside marked spaces or in unauthorized areas may result in a referral to Lathrop Police Services.
5. Vehicles parked in violation of school rules may be towed at the owner's expense.
6. Students who drive recklessly, speed, spin tires, or otherwise drive unsafely on campus or at school events may face disciplinary action.
   - Consequences become more serious with repeated violations.
   - Possible consequences include detention, work detail, Saturday School, suspension, and loss of driving privileges on campus.
   - Parents/guardians will be notified of violations.

The school recognizes that this is a very stringent policy, but it cannot stand idly by while our students endanger their own lives and the lives and well-being of others. Manteca Unified School District currently participates in a preventive program aimed at keeping drugs and illegal weapons off campus by employing sniffing dogs. Be aware that these dogs will "sniff" any cars found in our parking lots for illegal substances, weapons, etc.
