**4. DISCUSSION AND POSSIBLE ACTION OF EXECUTIVE SEARCH COMMITTEE'S
QUOTES FOR SUPERINTENDENT SEARCH**

Susan Lannon briefed everyone on agencies that could be used as options in the superintendent search. Some executive search committee members met with Dave Erwin from C.E.S last week. C.A.B.E sent a pamphlet without pricing and a third agency was emailed to the search committee. Ms. Lannon stated that she feels that C.E.S has had great success, pricing is good, and she's heard mixed reviews about other agencies. She also stated that C.E.S could get the search process started right away while interviewing other agencies could take time and slow down the hiring process.

MOTION: by Misty Murdock, seconded by Steve Schroth to move forward with C.E.S as the agency to conduct the Superintendent Search.
