Pre-AP Chemistry Summer Assignment

Assignment #1 Pre-AP Chemistry Assignment on Khan Academy Due: ASAP	1. Go to khanacademy.org 2. Join AP Chemistry Summer Assignment on Khan Academy using this link or this join code: CA3EAVU9
Assignment #2 Chemistry of Life Due: August 11 at 11:59 pm	1. Complete the assignments listed in the Khan Academy class that you joined in Assignment #1. 2. You are only completing Units 1 and 2 for the summer assignment. I suggest you do more. 3. You will have a quiz over this material on the second day of school. NO late assignments will be accepted.

Assignment #3
Supply List
 	
Due: First day of school, 8:30 AM
	● Box of tissues
	● Box of disposable gloves
	● Scientific calculator
	  ○ I have a classroom set for tests, but having your own that you are familiar with will greatly help on the AP exam. You can also program whatever you want into your calculator!
	● Composition notebook(s)
	● Various colored pens
	  ○ Most work must be completed in pen
	  ○ Different colored pens are used for self-grading and feedback
	● These materials are optional, but nice to have your own.
	  ○ Colored pencils
	  ○ Highlighters

You can email me over the summer with questions, but my replies will be delayed, so start early on the work. antonio.arredondo@houstonisd.org
