REVISED:

208. WITHDRAWAL FROM SCHOOL	
1. Purpose SC 1326	The Joint Operating Committee affirms that while statute requires attendance of a student only between the ages of eight (8) and seventeen (17), it is in the best interests of both students and the community that students complete the educational program that will equip them with skills and increase their chances for a successful life beyond school.
2. Authority	<p>The Joint Operating Committee directs that whenever a student wishes to withdraw, efforts should be made to determine the underlying reason for such action. The resources of the school should be utilized to assist the student in pursuing career goals.</p> <p>No student of compulsory school age will be permitted to withdraw without the written consent of a parent/guardian and supporting justification.</p>
3. Guidelines	The Director shall develop procedures to govern a student's withdrawal from the school.
