**5. PUBLIC COMMENT/COMMUNICATIONS ON BOARD AGENDA ITEMS ONLY**

The Board of Trustees has established clear protocols to ensure that meetings are conducted efficiently while supporting the open communication our community values. The Board welcomes and appreciates the input of parents, students, employees, and members of the public. Our goal is to provide an environment that supports the free exchange of ideas between the Board, staff, and community members in a respectful and orderly manner.

We encourage all participants to share constructive ideas and perspectives while respecting others' rights to do the same. The Board welcomes differing opinions; however, it is essential that all disagreements be expressed in a courteous and meaningful way. Personal attacks or disrespectful behavior toward others will not be tolerated. To maintain a positive environment, all speakers are asked to be courteous, patient, and respectful while others are speaking. Comments should

be concise, relevant to the topic, and within the allotted time. Members of the public must be recognized by the Board President or Chairperson before speaking and may only address the Board from the podium, not from the audience.

Public comments must adhere to [Civility Board Policy 1313](#), which promotes mutual respect, civility, and orderly conduct among all members of the school community — including employees, board members, contractors, parents/guardians, students, and the public. This policy is not intended to restrict any person's constitutional right to free expression on school grounds or at district activities. Uncivil or harassing conduct by any member of the San Ysidro School District community is harmful to the educational environment and will not be permitted. Civil behavior includes politeness, courtesy, integrity, honesty, timeliness, dependability, adherence to laws and rules, and effective communication. Students, staff, parents/guardians, and community members are expected to communicate and behave in ways that do not disrupt district operations, hinder learning, or create unsafe environments.

**PLEASE SUBMIT PUBLIC COMMENT FORMS PRIOR TO THE START OF THE MEETING**

Per Board Policy #9323, three (3) minutes may be allotted to each speaker to address the Board on each agenda item.

**Approach the lectern and give your name.**

The Board will limit the total time for public input on each item to 20 minutes. However, in exceptional circumstances when necessary to ensure full public input, the Board president may, with Board consent, adjust the time allowed for public input and/or the time allotted to each speaker. Any such adjustment shall be made equitably to allow for a diversity of viewpoints. The president may also ask members of the public with the same viewpoint to select a few individuals to address the Board on behalf of that viewpoint.

In order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided at least twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board/Public to hear the translated public testimony simultaneously. (Government Code 54954.3)

Persons wishing to address the Board are asked to complete a **Public Comment Form located in the sign-in area and submit it** to the administrative assistant prior to the start of the meeting.

Those with a group concern are encouraged to designate a spokesperson to address the Board. Members of the public may not yield their time to another individual. A copy of the full agenda is available for viewing at the Superintendent's Office located at 4350 Otay Mesa Road, San Ysidro, California. Also, at the district website: [www.sysdschools.org](http://www.sysdschools.org).
