Recommended Motion

The Council is asked to receive a presentation and approve the 2025–2026 Proposition 28: Arts and Music in Schools funding annual report, as required by the California Department of Education.

Rationale

For the 2025-2026 school year, Leroy Greene Academy utilized Prop 28 funds to strengthen and expand our visual arts programs. Funding supported our art teacher's salary, ensuring students had consistent access to high-quality arts instruction throughout the school year. This investment helped us sustain a robust art program that encouraged creativity, skill development, and meaningful student engagement.

Proposition 28 funds were also used to purchase essential supplies for our art pathway courses. These materials allowed students to participate in hands-on, project-based learning experiences aligned with pathway goals and supported the continued growth of our structured arts curriculum. In

addition to classroom enhancements, funding supported professional development for our arts educators.
