

BOARD MEETING HIGHLIGHTS
ANCHORAGE INDEPENDENT SCHOOL DISTRICT
June 3, 2026

Seventh-grader, Riley Waldron, and Mrs. Adrienn Carman shared the [Welcome to Anchorage video](#) they created for the onboarding packet provided to new employees to the district.

On Wednesday, the Board heard Superintendent, facilities, personnel, professional development, school, and financial reports. Assistant Principal Roettger shared updates on summer camp offerings and a recap of the 2025-26 afterschool program. Craig Aossey of G. Scott & Associates, Architects (GSA) presented construction documents for the accessible sidewalk connecting the front of the school to the playground. This project will close the loop and enable accessibility for all students around the entire exterior. It was prioritized for completion in 2026 based on staff and community focus group feedback gathered during the initial phase of our strategic plan development. The board approved advertising this project for bid and engaged GSA for continued services to begin scope development for FY27 facilities projects and to provide professional guidance on the District's 10-Year Maintenance & Renovation Plan.

The board conducted a first reading of policy updates prepared by Kentucky School Boards Association (KSBA) based on legislation passed during the 2026 session. On consent, the board approved vouchers, prior meeting minutes, receipt of Attorney General's decision, a STEP Management IT contract, chromebook purchases, updated 2026-27 staffing allocations, and a cyber security insurance policy. The Tentative Budget for Fund 360, surplus, updated job descriptions, and 2026-27 handbooks were also approved.

Summer facilities projects approved by the Board include exterior wall repairs and painting outside the large gymnasium and replacement of storm drain covers in the rear parking lot. Through intentional stewardship of resources throughout the school year, sufficient funding is available within the FY26 General Fund to address these long-standing maintenance needs in addition to electrical, mechanical, lighting, ceiling, and painting upgrades inside the district office.

The board was pleased to allocate the donated portion of their FY26 stipends toward purchasing high-quality desk chairs for our full-time district staff members as part of the upcoming district office refresh.

Congratulations, Superintendent Six!

The board completed the annual evaluation of Superintendent Six for the 2025-26 school year. The evaluation focused on three standards of performance and three district goals agreed on by the Board and Superintendent.

Superintendent Six received an overall rating of Accomplished.

Under the direction of Superintendent Six, Anchorage Independent School District has made significant progress in advancing its strategic vision while strengthening systems, operations, and opportunities for students. Superintendent Six and her team oversaw the formation of the Strategic Pillars, successfully launching and beginning implementation of key components of the Strategic Plan. Through enhanced communication and stakeholder engagement, modernized processes, and building a strong foundation for long-term success, Superintendent Six demonstrated exemplary progress in the standard of Strategic Leadership.

During the 25-26 school year, students benefited from enriched learning experiences, expanded programs, and a continued focus on achieving academic growth. While fostering a culture of accountability and high performance, Superintendent Six responsibly stewarded district resources with an ongoing commitment to excellence. Through her leadership, AISD is well positioned for continued growth and achievement, entering its next strategic chapter with confidence and in a sound financial position.

The next monthly Board Meeting is scheduled for Wednesday, July 29, 2026 at 6:00 p.m in the library. Please contact Superintendent Sharla Six if you have any questions or for more specific details please see the [monthly board minutes](#).

Thank you,

Anchorage Independent School District Board of Education
Hannah Barnes (Chair)
Kayce Deutsch (Vice Chair)
Andrew O'Brien, Sara Tyler, Nancy Lynne Walters
