

Getting Ready!

SUMMER ASSIGNMENTS OVERVIEW

Dear Incoming Third Grader and Parents,

Happy summer! This coming September, we are excited to have you as part of our third grade class. While summer is a time to relax, it's also important we keep our brains sharp and in tip-top shape for when we come back in September. To help you keep your school brains active, we are asking that all incoming third graders complete the following summer assignments.

- ✎ IXL (Login information provided by second grade teacher)
- ✎ "Be a Perfect Person in Just Three Days" Comprehension Packet
- ✎ Independent Reading Log

Details on the assignments are on the next page. Please complete all assignments for the first day of school, September 4th, 2024. We are looking forward to a great year with you!

Happily, Miss Cannilla & Miss Boysen
