

Self Administration of Medication

Dear Parent/Guardian,

We want to make every effort to help your child be successful in school. If it is necessary that your student take medication regularly or as needed during school time, please sign the attached form and have it signed by your student's health care provider so the nurses in the HFHS Health Service Office can administer. The medication must be brought to the Nurse's Office, in a bottle labeled by the pharmacist along with this form filled out by your healthcare provider and signed by you. Long-term over-the counter medications should be in the original container. All medications should be picked up at the end of the school year and orders renewed at the beginning of the new school year. We will dispose of any medication left when school closes in June. A provider's order is needed for students to carry and self-administer their own EpiPen®. A parent or guardian signature and copy of the prescription label is required for students to carry and self-administer an emergency asthma inhaler.

Thank you,

Lottie Parker, RN, BSN, CSN/PEL
Dr. Valarie Leak, DHA, MBA, BSN, RN, CSN/PEL
Health Services

Estimado Padre/Tutor,

Queremos hacer todo el esfuerzo para ayudar a su hijo a ser exitoso en la escuela. Si es necesario que su estudiante tome medicación de manera regular o según lo necesite durante las horas de clases, por favor firme el formulario adjunto y hágalo firmar por el proveedor de salud de su estudiante para que las enfermeras en la Oficina del Servicio de Salud de HFHS puedan administrárselo. La medicación debe ser traída al Servicio de Salud, en una botella etiquetada por el farmacéutico junto con el formulario lleno por su proveedor de salud y firmado por usted. Los medicamentos sin prescripción de largo plazo deben estar en el recipiente original. Todas las medicinas deben ser recogidas al final del año escolar y las órdenes deben ser renovadas al comienzo del nuevo año escolar. Nosotros dispondremos de toda medicina sobrante cuando la escuela cierre en junio. Se necesitará una orden del proveedor de salud para que los estudiantes pueden llevar consigo y auto-administrarse su propio EpiPen®. Se requiere la firma del padre o tutor y una copia de la etiqueta de la prescripción para los estudiantes que portan y se auto-administran el inhalador para el asma.

Gracias,

Lottie Parker, RN, BSN, CSN/PEL
Dr. Valarie Leak, DHA, MBA, BSN, RN, CSN/PEL
Servicio de Salud de HFHS
