Alive

Contract  
Renewal &

Dr. Daniel presented the following recommendation concerning the Alive Community Outreach Contract Renewal & Amendment:

**RECOMMENDATION:** It was recommended that the Board renew the contract with Alive Community Outreach for one additional year, for the period of July 1, 2026 – June 30, 2027, for a 2% increase for \$726,240. It is also recommended that the Board approve an amendment to expand the program to the Centers for Academic Success at Nebraska and Anthis for an additional \$6,000 per month.

**RELATED INFORMATION:** The original Alive contract expired on June 30, 2025, and included seven one-year options to renew. As the first option is set to expire this year, the Board needs to exercise its second option to continue programming for an additional year.

Additionally, FWCS desires to expand programming to CAS Nebraska and Anthis by providing one additional peace advocate for those two locations.

Funding will come from the School Safety Referendum.

A motion was made by Julie Hollingsworth, seconded by Jennifer Matthias, that the recommendation concerning the Alive Community Outreach Contract Renewal & Amendment be approved. Roll Call: Ayes, unanimous; nays, none.

Handheld Radio  
Replacement  
Plan 2026

Dr. Daniel presented the following recommendation concerning the Handheld Radio Replacement Plan 2026:

**RECOMMENDATION:** It was recommended that the Board approve the purchase of upgraded handheld radios from J & K Communications, INC., Columbia City, IN in the amount of \$177,804.48.

**RELATED INFORMATION:** The replacement plan project will purchase, program and distribute upgraded handheld radios at ten schools:

- Bunche
- Brentwood
- Haley
- Harrison Hill
- Indiana Village
- Washington
- Memorial Park
- Northwood
- Towles
- North Side

The handheld radios at these buildings are beginning to have poor communication and failing due to age. The upgraded handheld radios will have wider range and higher communication resolution. The project will be funded by the 2026 Safer Referendum.

J & K Incorporated is the sole source provider for the contract because they are the only Kenwood authorized and approved dealer in Allen County and the surrounding counties.

Michael Manuel, Director of Security, was available to answer questions.

A motion was made by Maria Norman, seconded by Julie Hollingsworth, that the recommendation concerning the Handheld Radio Replacement Plan 2026 be approved. Roll Call: Ayes, unanimous; nays, none.

Security  
Cameras

- Abbett
- Adams
- Fairfield
- Miami
- Nebraska
- Wayne
- South Side Sport Annex
- Anthis Parkview Education Center
- Warehouse

This is the third purchase of the district's eight-year annual purchase replacement plan to transition from ageing cameras at all FWCS buildings. The new IP cameras will have much higher resolution and will allow approved users to have access to greater video resolution and coverage.

Funding will come from the School Safety Operations Referendum Fund.

Michael Manuel, Director of Security, was available to answer questions.

A motion was made by Julie Hollingsworth, seconded by Jennifer Matthias, that the recommendation concerning the Security Cameras be approved. Roll Call: Ayes, unanimous; nays, none.

In addition, it provides 1 Park Center case manager for our middle school behavior support classroom. This will be funded by Medicaid.

Jennifer Berning, Director of Special Education and Jackie Wyss, Manager of Elementary Special Education, were available to answer questions.

A motion was made by Maria Norman, seconded by Steve Corona, that the recommendation concerning the Park Center Case Managers for Behavior Support Classrooms be approved. Roll Call: Ayes, unanimous; nays, none.

Resolution to  
Amend  
Governing  
Plan

Dr. Daniel presented the following recommendation concerning the Resolution to Amend Governing Plan:

**RECOMMENDATION:** It was recommended that the Board adopt a resolution to amend its Governing Plan, such that only one at-large seat will be up for reelection in each election cycle, beginning with the 2028 school board election.

**RELATED INFORMATION:** The original Governing Body Selection Plan of Fort Wayne Community Schools was established on or about July 20, 1988. It set forth the seven-member elected school board that we have today, which included five electoral districts and two at-large seats. Since 1988, both of the at-large seats come up for reelection in the same four-year election cycle, and both will come up for reelection again in 2026.

I.C. 20-23-8-10 provides that amendments to the governing plan may be initiated by a resolution adopted by this Board. The resolution would shorten the term of the at-large trustee with the least seniority on the Board to two years. If neither of the at-large trustees elected in 2026 have prior service on the Board, the trustee that receives the least votes in the election will serve a two-year term. Thereafter, only one at-large seat will be up for reelection in each election cycle.

David Amen, General Counsel, was available to answer questions.

**RESOLUTION OF THE BOARD OF SCHOOL TRUSTEES  
OF THE FORT WAYNE COMMUNITY SCHOOL CORPORATION  
TO AMEND ITS GOVERNING PLAN**

**WHEREAS**, on or about July 20, 1988, the Indiana State Board of Education certified the Governing Body Selection Plan of Fort Wayne Community Schools (FWCS); and

**WHEREAS**, the Governing Plan created a seven (7) member elected school board that included five (5) trustees elected from electoral districts and two (2) at-large seats, both of which are elected in the same election cycle; and

**WHEREAS**, the FWCS Board of School Trustees believes that it is in the best interests of FWCS for only one at-large trustee to be elected in each election cycle; and

**WHEREAS**, Indiana Code 20-23-8-10 provides that amendments to the governing plan may be initiated by a resolution adopted by the governing body of the school corporation;

**NOW THEREFORE, BE IT RESOVLED** that the FWCS Board of School Trustees adopts this resolution to amend the Governing Plan as follows:

- At the general election in November 2026, of the two (2) at-large trustees elected, the trustee with the least seniority on the Board of School Trustees will serve a term of two (2) years.
- If neither of the at-large trustees elected have served on the Board, the trustee that receives the greatest number of votes shall serve for a term of four (4) years and the remaining at-large trustee will serve for a term of two (2) years.

A motion was made by Julie Hollingsworth, seconded by Jennifer Matthias, that the recommendation concerning the Resolution to Amend Governing Plan be approved. Roll Call: Ayes, unanimous; nays, none.

Special  
Education  
Programming  
Presentation

Jennifer Berning, Director of Special Education; Rhian Fertil, Assistant Director of Special Education; and Michelle Hoffacker, Assistant Director of Special Education, gave an update on Special Education programming in Fort Wayne Community Schools

## Comments

Board Member Steve Corona spoke about recent announcements from FWCS college partners regarding college credit opportunities for students. He shared that Indiana Tech is offering credits valued about a semester's worth of tuition for students participating in the program, and he noted that a number of Snider students are expected to take advantage of it. Mr. Corona emphasized how meaningful that financial support can be for families facing tight budgets. He also mentioned hearing that Purdue Fort Wayne's former School of Business would be joining the partnership by offering college credit valued at around \$950. Member Corona expressed optimism that additional local colleges may soon follow with similar opportunities.

Board Member Maria Norman reflected on how busy the end of the school year has become for families and schools alike. She thanked PTA groups across the district for their efforts during Staff Appreciation Week, noting the many creative ways they celebrated and supported staff members. Member Norman also attended the retirement dinner and enjoyed hearing the stories shared by longtime employees. She described attending the eighth-grade speech finals, where her child served as the emcee, humorously noting his "gift of gab." She also served as a guest judge at the Northrop Art Show, where she judged furniture entries but stayed to admire the full range of student artwork. Ms. Norman praised the incredible talent displayed by students across all grade levels and highlighted the broad variety of artistic categories represented, including photography, ceramics, jewelry making, sewing, and embroidery.

Board Member Julie Hollingsworth commented on how quickly the school year has come to an end, noting that only seven days remained in the academic year. Member Hollingsworth congratulated Superintendent Mark Daniel for being recognized by the Boys and Girls Club as "Person of the Year," calling the honor well deserved. Ms. Hollingsworth closed by wishing everyone a productive and enjoyable final full week of school as the district moves toward summer break.

Board Member Antonette Payne shared several end-of-year experiences and congratulated Blackhawk's boys and girls track teams for their performances at the middle school city championships. She expressed appreciation for the district's special education staff, drawing from her own early experience as a long-term substitute special education math teacher at the former Geyer Middle School. Member Payne also spoke about Ivy Tech's graduation ceremony, where she was impressed by the number of high school students graduating simultaneously from Ivy Tech, including many Wayne High School students. In addition, she participated in mock interviews for Blackhawk's college and career readiness class and praised the students' professionalism and self-awareness. Ms. Payne noted that many students identified communication and teamwork as areas they hoped to improve, which she found thoughtful and insightful.

Board Member Jennifer Matthias expressed appreciation for the detailed presentations given by staff members during Board meetings, saying she values the opportunity to better understand the work happening in different departments. She acknowledged ongoing concerns about school funding and federal budget issues but praised district staff for consistently rising to the challenge and serving students despite financial uncertainties. Member Matthias also reflected personally on graduation season, sharing that her youngest child, her fourth, would soon graduate. She described the moment as both exciting and bittersweet and encouraged other parents of graduating seniors to celebrate their children's accomplishments and feel proud of helping them reach this milestone.

Superintendent Dr. Mark Daniel responded to Member Matthias' comments by discussing anticipated federal legislation involving tax credits that could provide new funding opportunities for public schools. He explained that the funding would likely need to flow through a foundation and could support after-school programs and other student services. Dr. Daniel also reflected on the retirement dinner, describing it as both joyful and bittersweet because of the tremendous experience and professionalism leaving the district through retirement. At the same time, he encouraged retirees to consider returning to FWCS in flexible or substitute roles after some time away, emphasizing that the district would welcome them back.

Board President Noah Smith echoed appreciation for the retirement dinner and shared his experience attending the Northrop Art Fair for the first time. He praised the event for showcasing student creativity across all grade levels. President Smith also congratulated an FWCS senior who earned full-ride scholarship offers from Harvard, Penn, and Notre Dame before ultimately choosing Notre Dame. He highlighted the student's academic accomplishments, including a GPA above 5.0. Mr. Smith announced the opening of applications for the District 3 School Board seat following a recent seating change on the Board. He encouraged residents from the district to apply and explained that applications would be collected and distributed by the Clerk of the Board.
