Nurses Corner

As you schedule your child's well visit, please ask their doctor to review and update any needed immunizations. We also ask parents to notify the school nurse of any changes to health conditions before school begins in August. Thank you for helping us keep our students healthy and ready to learn!

Change of Plans for How Your Child Goes Home?

If there is a change of plans for how your child is to go home...

Please call the **OFFICE** if you need to change the plans for how your child will get home. When the office is not informed, it can cause miscommunication. Children can miss the bus, or parents come to pick them up, and they are on the bus. Also, teachers do not have time to look at their messages about a change of plans. Thank you for understanding!

If Your Child Is Going To Be Absent...

Have you either called or emailed **THE OFFICE** to let us know **EVEN if you've informed their teacher**? Please call before 8:15 AM or after 8:45 AM because the office is super busy during this time. 208-365-0839 cesattendance@isd221.net Thank you!

Also, if your child has a doctor/dentist/counseling appointment, please remember to bring the office **a note from the doctor**.
