FOR IMMEDIATE RELEASE:

Lafayette School Corporation names Ben Murray Director of Technology

The Lafayette School Corporation has named Ben Murray the Director of Technology for the district.

Murray has been with LSC for 20 years. He is currently the District Data Administrator, a position he has held since 2019. He served as Assistant Principal at Tecumseh Jr. High 2014-19; prior to that, he was a math teacher at Jefferson High School. He also coached football and golf.

Murry earned a Bachelor of Arts in Communications with a minor in Economics from DePauw University in 2004. He earned his teaching license in secondary mathematics from Purdue University in 2006, as well as a Master of Science in Education in 2011.

As Director of Technology, Murray will provide visionary leadership and operational oversight for all instructional and operational technology systems with the school corporation. He will ensure that all technology infrastructure, digital learning tools, cybersecurity systems and data platforms support high-quality teaching, learning and district operations.

Murray will assume his new duties July 1, 2026.
