**The voter approved bond budget of \$55,182,000 does not include the interest earnings that will be realized from investing the bond proceeds. The Board has reviewed bond budget recommendations from Administration and the Bond Advisory Committee, and released an additional \$3,834,000 of budget. To-date the interest earnings net of arbitrage are \$4,400,000. Administration, based on current projections, anticipates there will be ample interest earnings to cover all overages incurred to-date.*

***School districts are required to rebate to the IRS the excess of investment earnings on bond proceeds if the yield on those earnings is materially higher than the yield on the related tax-exempt bonds that the school district issued. Each year, the District must calculate the amount of its arbitrage rebate liability and record this liability in the fund that received the proceeds of the debt issuance. Refer to <https://www.irs.gov/pub/irs-pdf/p4079.pdf> for additional information.*
