

## Summer Academic Software Information - 2026

Students can sign on to academic software during the summer. Students should log in to [Classlink](#) to access frequently used programs at Carroll. We recommend that students use their school Chromebooks to login. If they do not have their Chromebook at home, they can login to Classlink on a home device.

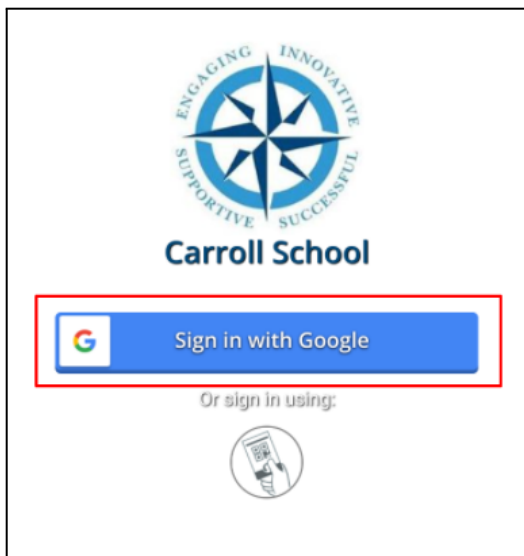

**If your child is not returning to Carroll for the 2026-2027 school year, they will lose access to these programs on June 30th.**

If you have any questions about this information, please email the IT Team at [techsupport@carrollschool.org](mailto:techsupport@carrollschool.org).

### Signing in to Classlink:

**Step 1:** Go to: <https://launchpad.classlink.com/carrollschool>

**Step 2:** Choose "Sign in with Google"

**Step 3:** Enter your Carroll School email address and password.

- **Email:** first initial+last name+year of graduation@stu.carrollschool.org
  - example: ejacobsen28@stu.carrollschool.org, Erin Jacobsen class of '28
- **Lower School:** your password is your 8-digit birthday
  - for example: 03312014, for March 31st, 2014.
- **Middle & Upper School:** the password you created for yourself

***During the first week of summer, Classlink will "freeze." Students will retain access to all apps they had as of this week, with the same log-in info.***
