Sticky Fingers Cooking™

Young chefs will explore where food comes from while creating delicious, kid-friendly recipes using fresh fruits, vegetables, and seasonal ingredients. Campers will learn basic kitchen skills, healthy eating habits, and the journey from garden to table through hands-on cooking fun! Recipes include sweet and savory favorites such as berry scones, lasagna roll-ups, avocado tacos, broccoli soup, pasta bites, pancakes, smoothies, blondies, and zucchini sandwich cookies. Each 3-hour class includes 2 recipes, a theme-related craft, and chef hats that students get to keep at the end of the week. Students must be picked up by an adult 18 years or older. No transportation will be provided.
