

Inventor's League

PROTOTYPING FOR THE FUTURE

Become an Inventor of the
Future!

AUGUST 10 - AUGUST 14

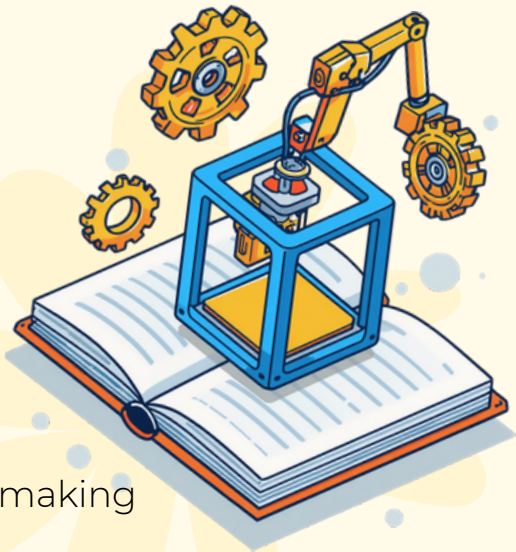

GRADES 5-8 (26-27 Grade Level)

TIME: 12-4pm

LOCATION: HUES

FEE: \$235

- Become an inventor of the future through hands-on design and innovation challenges
- Learn rapid prototyping and creative problem-solving skills
- Explore inspirational stories of young inventors making a difference around the world
- Research real-world problems in medicine, architecture, the environment, or a topic of your choice
- Create 2D designs and build 3D models of your inventions
- Develop a website presentation to pitch your ideas to the class
- Share projects with family and friends through a password-protected Black Rocket website
- Work collaboratively in pairs or teams throughout most of the program

Important Information:

- Students must be picked up by an adult 18 years or older
- Please bring a bagged lunch daily
- Transportation will not be provided
