Student cell phone: _____ Student FIRST & LAST name: _____

(Check one) I plan to: ___be here full time both semesters ___be a December graduate ___do senior release second semester

Directions:

- Circle your class choices for next school year.
- We have seven class periods.
- Remember that it takes two semester classes to fill one year long period.
- If you fail a class(es), your counselor will work with you on how to recover the credit(s).
- Many classes have a prerequisite course (one that is required before you can take the next class). If you see ** then check the course description guide for the required class you need to take first. Advanced Placement classes are given weighted credit.

All seniors must have a full schedule for the first semester. See your counselor to discuss early graduation (December) or senior early release (second semester).
