Choose ONE of the following books to read:

1. *Growing Home* by Beth Ferry

Adorable story about friendship and favoritism. Told from the perspective of a selfish house plant who learns what it means to be a true friend and putting others before oneself.

2. *Forever Ripley* by McCall Hoyle

Wonderful story about a dog's love and devotion for her family. This book deals with loss and may require parent support - very sad, but so good.
