Wissahickon School District

601 Knight Rd • Ambler, PA 19002
215.619.8000

MEMORANDUM

To: **School Board Directors**
From: **Timothy W. Bricker**
CC: **Cabinet**
Date: **12/4/2025**
Subject: **Quarterly Facilities Update**

September 2025- November 2025

Blue Bell Addition and Renovation Project

- Final Inspections have been completed
- Working with CHA on final closeout, some items will remain open until the spring 2026 growing season

Middle School Chiller Fence Project

- The fence installation has been completed.
- The sound test was completed on 9/15/25 with results being below the LGT Sound Ordinance
    - Testing was completed by Harrison Acoustics for the District and independently tested by Metropolitan Acoustics for the Township
    - Both test results showed the District was compliant with the LGT Sound Ordinance

Knight Road Walking Safety Project

- Alternate funding is not available for this project
- Preparation is in progress to bid this project with a goal of competition Spring 2026

Playground Renovations:

- Renovations to the playgrounds at Blue Bell and Shady Grove have been completed
    - Pour-in-play surfacing has been added
    - Enhanced playgrounds with the addition of inclusive elements for all students

Facilities Condition Assessment

- Assessments have been received and are under review.
- The creation of 5, 10 and 20 year Master Plan for Facilities in progress
    - The goal is to have this information available for discussion at the March Facilities & Transportation meeting

Information as prepared by Mr. Brian Russell.
