Wissahickon School District

601 Knight Rd • Ambler, PA 19002
215.619.8000

MEMORANDUM

To: School Board Directors
From: Timothy W. Bricker
CC: Cabinet
Date: 09/12/2025
Subject: Quarterly Facilities Update

June 2025 – August 2025

Blue Bell Addition and Renovation Project

- The project is substantially complete, with a few punch list items being addressed.
- Students and staff are already using the newly renovated space.
- A walkthrough the new area is scheduled for 09/29/25 at 5:30pm. If interested in this walk through conducted by Mr. Russell, please email Mr. Bricker by 09/24/25.

Middle School Chiller Fence Project

- The fence installation has been completed. A sound test is scheduled for 9/15/25.
- The district will have a sound engineer, our chiller service company and the Director of Facilities onsite.

Knight Road Walking Safety Project

- The design phase is complete, with minor township revisions being finalized.
    - The District is partnering with the township to address stormwater issues in the same area. The Township will pay for their portion of the work based on bidding costs.
- In late August an alternate funding opportunity through a grant became available and the Director of Facilities started to pursue this option.

Emergency Generators

- New generators have been installed at both SG and LG.

Building Preparation

- All buildings were deep-cleaned over the summer in preparation for the new school year.
- 108 new lockers were added in the Middle School atrium area.

Grounds Maintenance

- Mulch beds were weeded and refreshed where needed prior to school opening.

Facilities Condition Assessment

- The Facilities Condition Assessment on site review began in full swing early August. The anticipated completion date for the assessment and reporting is by November.
