2025-2028

Plan Focus Area: Engagement

Goal 1: **GUMSS will foster relationships among scholars, families, and staff to build understanding, respect, and trust for future success.**

Objective 1: Scholars, families, and staff perspectives will be valued in all efforts to ensure success.

Level	Process Goal (How)	Student Learning Goal (Why and What)	Person(s) Responsible	Resources Needed	Progress Update #1 (What)	Progress Update #2 (What)
Riverside Magnet School	A climate survey will be completed by families, staff and students in grades 3-5.	Students in grades 3-5 will provide feedback around school climate and programming to ensure student success. The climate survey will be completed by 100% of staff and students in grades 3-5. The percentage of families completing the survey will increase by 20% from 2023-24 (120 responses in 23-24).	Administrators, staff	Addition of climate survey questions for students in grades 3-5.	surveys have been reviewed and feedback provided to CO; will be shared during parent conferences in March	
Riverside Magnet School	Scholar of the month, staff of the month and parent/guardian of the month recognition will be implemented.	Students, staff and families will have voice and choice with recognizing the achievements of others in the school community.	Administrators, staff, students	Communication to staff and families about the nomination process and nomination forms.	Scholars will take place during monthly community meetings (first in September) and staff of the month will begin at the October community meeting; upon further discussion with school team, parent of the month will not take place due to concerns of equity	
Riverside Magnet School	Student voice and choice will be incorporated in family conferences as students are encouraged to discuss their academic and social progress during conferences and take ownership in the learning process.	88% of families will attend family conferences in the fall and in the spring of each year school year.	Administrators, staff, students	Necessary data, report cards and student information for conferences.	will revisit after conferences	

Objective 2: Families will be active participants in their child's development for future success in school and life.
