Nondiscrimination Policy and Notice

Pursuant to Title IX and its regulations ("Final Rule" released on April 19, 2024), the Killingly Board of Education has adopted and implemented a policy stating that the District does not discriminate on the basis of sex and prohibits sex discrimination in any education program or activity it operates, including admission and employment.

The Killingly Public Schools does not discriminate based on race, color, religion, sex, sexual orientation, gender identity or expression, status as a veteran, status as a victim of domestic violence, marital status, pregnancy or related conditions, genetic information, national origin, protective hairstyles, alienage, ancestry, age, disability, or any other basis prohibited by state or federal law ("Protected Class"), except in the case of a bona fide occupational qualification.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual's actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board, is prohibited in the Killingly Public Schools. The Board's prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic, and extracurricular activities, including athletics.

The District shall take prompt and effective action to end any sex discrimination in its education programs or activities to provide for the prompt and equitable resolution of sex discrimination complaints, prevent recurrence, and remedy its effects. To that end, the District shall act promptly and effectively in response to information about conduct that reasonably may constitute discrimination, including sexual violence and other forms of sex-based harassment. The district shall also ensure that all school employees are trained about their obligations to address sex discrimination and their obligations to notify or provide contact information for the Title IX Coordinator.

The District shall not disclose personally identifiable information obtained through complying with Title IX, with limited exceptions, such as when there had been prior written consent or when the information is disclosed to the parent of a minor.

Retaliation against anyone who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or participates in an investigation or grievance process is also a violation of the Killingly Board of Education's non-discrimination policy and is prohibited.

The Killingly Public Schools shall notify students, employees, parents, and others of this policy and publish it widely. The Board recognizes that due to size and format restrictions of different

publications, to ensure the broadest level of distribution, the Board shall publish a statement (Short Version) that the District prohibits sex discrimination in any education program or activity that it operates and that individuals may report concerns or questions to the Title IX Coordinator and provide a link to the "Long Version" of the non-discrimination notice on the District's website.

The "Short Version" of the Board's Non-Discrimination statement shall be as follows:

The Killingly Public Schools complies with all laws prohibiting the exclusion of any person from any of its educational programs or activities, or the denial to any person of the benefits of any of its educational programs or activities, including all academic, extra-curricular, and school-sponsored activities, on the basis of any protected characteristic (or protected class) including race, color, religion, sex, sexual orientation, gender identity or expression, status as a veteran, status as a victim of domestic violence, marital status, pregnancy or related conditions, genetic information, national origin, protective hairstyles, alienage, ancestry, age, or disability, subject to the conditions and limitations established by law. The notice of non-discrimination is located at (<https://www.killinglyschools.org/about-us/nondiscrimination-statement>.)

The "Long Version" of the Board's Non-Discrimination Statement shall be as follows:

The Killingly Public Schools complies with all laws prohibiting the exclusion of any person from any of its educational programs or activities, or the denial to any person of the benefits of any of its educational programs or activities, including all academic, extra-curricular, and school-sponsored activities, on the basis of any protected characteristic (or protected class) including race, color, religion, sex, sexual orientation, gender identity or expression, status as a veteran, status as a victim of domestic violence, marital status, pregnancy or related conditions, genetic information, national origin, protective hairstyles, alienage, ancestry, age, or disability, subject to the conditions and limitations established by law. When the Board has created a limited public forum, the Board shall provide equal access to the Boy Scouts and other groups as required by law.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual's actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board, is prohibited in the District. The Board's prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics.

It is the policy of the Board to provide for the prompt and equitable resolution of complaints alleging Protected Class discrimination or harassment.

Any student, staff member and/or parent/guardian who believes a student has experienced Protected Class discrimination or harassment or an act of retaliation or reprisal in violation of this policy should report such concern in writing to the staff member below in accordance with the Board's complaint procedures included in the Board's Administrative Regulations Regarding Non-Discrimination/Students, which are available upon request from the main office of any

District school. Students are encouraged to immediately report concerns about Protected Class discrimination, harassment, or retaliation.

Board Member Kyle Provencher shared a course proposal that he created. This proposal outlines a mandatory, high-impact course for Killingly High School Juniors and Seniors. It moves beyond generic career titles to explore specific, highly skilled niches (e.g., Compliance Officers, Solution Architects, Specialized Trades, Business Analysts). By utilizing a weekly deep-dive model, students will learn to tailor their resumes, understand realistic career ladders and salary expectations, and engage with Killingly families who will share their real world workforce experiences. Proposal will go before the Curriculum Committee.

12. **MONTHLY FINANCIAL REPORT-**

Projected deficit has improved from approximately \$652,000 last month in March to about \$388,000 on April 30th. 2. ROLL CALL- See above

3. PUBLIC COMMENT- No public comment

**4. DISCUSSION AND POSSIBLE ACTION OF EXECUTIVE SEARCH COMMITTEE'S
QUOTES FOR SUPERINTENDENT SEARCH**

Susan Lannon briefed everyone on agencies that could be used as options in the superintendent search. Some executive search committee members met with Dave Erwin from C.E.S last week. C.A.B.E sent a pamphlet without pricing and a third agency was emailed to the search committee. Ms. Lannon stated that she feels that C.E.S has had great success, pricing is good, and she's heard mixed reviews about other agencies. She also stated that C.E.S could get the search process started right away while interviewing other agencies could take time and slow down the hiring process.

MOTION: by Misty Murdock, seconded by Steve Schroth to move forward with C.E.S as the agency to conduct the Superintendent Search.
