

## Our UNIVISION Representative: Maria Alvarado!

[Front page headline continued]  
Maria Alvarado represented Child Nutrition during a Univision interview at Airline Elementary to promote free summer meals for children 18 and younger through June 26, 2026.

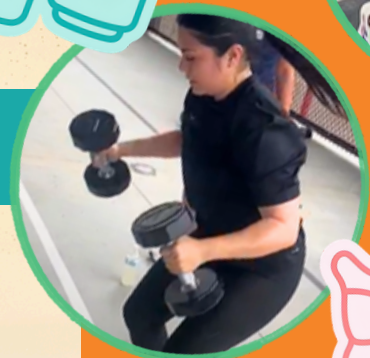

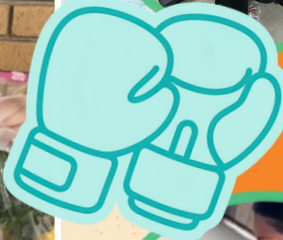

## Tour De YES!

The Houston Defender Network highlighted the Blender Bike initiative, showcasing how movement and nutrition education can make wellness fun and engaging.

## Wellness Through Teamwork

Child Nutrition Operations Specialists partnered with Transportation in the Home Office Hydrox Competition, strengthening teamwork, wellness, and collaboration across departments.

## Summer Meals are *HERE!*

Free breakfast and lunch for children ages 18 and younger at participating YES Prep campuses through **June 26, 2026**. Please help spread the word to families and community members who may benefit from this resource.
