May 5, 2026

Dear Parents and Families,

As we approach the end of the spring semester, middle school students in Harnett County Schools who are enrolled in NC Math 1 will participate in the End-of-Course (EOC) Online Assessments scheduled for May 13, 2026. These state-required assessments account for **25% of each student's final course grade** and must be completed **in person** at school, as mandated by the North Carolina Department of Public Instruction (NCDPI).

To help your child feel confident and prepared, we encourage you to:

- Ensure they get plenty of rest the night before each test
- Provide a healthy breakfast each morning
- Emphasize the importance of arriving at school **on time** each day

We also ask for your support in reminding your child that **cell phones and other electronic devices are not allowed** during testing, including breaks. According to the State Testing Assessment Guide:

"Students are not allowed to have in their possession or to use cell phones or any other electronic devices at any time during testing, including breaks. Any person found or observed with a cellphone/electronic device during testing time must be dismissed from testing, and a misadministration might be declared."

If you have any questions or need additional information, please reach out directly to your child's teacher or our school testing coordinator, Mrs. Saenz. We appreciate your continued partnership in supporting student success.

Sincerely,
