HOW TO LOGIN TO STUDENT EMAIL

****YOU WILL NEED THIS TO LOG INTO CHROMEBOOKS AND GOOGLE CLASSROOM.**

1. Go to Google to login.
2. Using the year you were born add 18--Ex: 2007 + 18= 2025. The last two digits become the beginning of your user name. Ex: 25. Follow the format below:

(Year you were born + 18) + (first name) + (first initial of last name) +
(month and day your were born--NO leading zeros) + @harnettstudents.org

3. Your password is your student number. ****If it is less than 8 digits, you should add zeros to the beginning of the number to make it 8 digits. For example, if your student number is 7 digits, you should add 1 zero. If it is 6 digits, you should add 2 zeros.

EXAMPLE

A student named John Doe born on August 5, 2004 with student number 1234567 would have the following login:
username: 22johnd85@harnettstudents.org
password: 01234567

A screenshot of the Google login page. It shows the Google logo at the top, followed by the text "Sign in with your Google Account". Below this is a circular profile picture placeholder. There are two input fields labeled "Email" and "Password". A blue "Sign in" button is located below the password field. At the bottom, there are two links: "Stay signed in" and "Need help?".

***If you are unable to login, fill out this [Google Form](#)**

Chromebook Reminders

The device is owned by Harnett County Schools and is checked out to you (like a library book).

If the mouse pad freezes up - power OFF the Chromebook and restart the device. This should fix the problem.

DO NOT leave things (earbuds, pencils, pens) on your keyboard and close the cover - it WILL crack the screen and YOU are responsible for the price of the repair EACH TIME!!!

PowerSchool Access
