

TSHS Student Parking Information 2026

Student parking is a privilege provided to any TSHS student. Students committed to academic and personal responsibility will maintain the privilege to park on campus. Rules and procedures will be enforced by TSHS Administration, SROs, and TSHS Campus Monitor.

All parking permits coordinate with the assigned parking space number. Example – parking permit tag #5 will coordinate with parking space #5.

Lost/stolen decals are to be reported to the **assigned grade level administrator** immediately. The fee to replace a lost or stolen tag is \$6.00.

Students MAY NOT:

- Student vehicles parked on campus are subject to search.
- Leave campus without permission and without an approved PTL (Permit to Leave).
- The campus parking lot gates will be open during the first & last 10 minutes of each class period.
- Students may not have more than 4 pending absences in a class during a 9-week period.
- Parking in undesignated parking lots (including staff parking)
- Exceed the 5 miles per hour school zone speed limits – on campus, in parking lots and within school zones.
- Drive reckless or carelessly.
- Hang tags must be displayed on rearview mirror and visible through windshield while parked on campus.
- Students must park in student parking lot only and in your assigned parking number.
- Parking hangtags are NOT transferable. Students may not loan a hangtag to another student for any reason. Student cannot use their assigned hangtag to display on another student's vehicle.
- Except arrival and dismissal, the student parking lot is off limits during the school day. Student must have written consent from an administrator.
- Students should arrive at school on time and vacate the student parking lot by the first bell. Failure to arrive on time or excessive tardiness will be the cause of disciplinary action and a loss of driving privileges.

Parent Signature: _____

Additional Information & Reminders

Students interested in purchasing a parking permit tag, please see the additional information featured here:

- Parking permits will be on sale for students in 12th grade on Tuesday, July 28 starting at 8:30 a.m. in the Front Office lobby of the school's administration building. For students in 11th grade, permits will be on sale on Wednesday, July 29. Students who were unable to purchase permits on those reserved days, may purchase them on July 30 and after. Mrs. Hewett in the Front Office will be on campus to help any student needing to purchase a parking permit.
- The cost of the parking permits is \$6.00 Students have a choice to purchase the permit online through the school's online payment portal website. We will also have QR codes for them to scan their payment.

In addition, students are required to present the following documents when they arrive to purchase a permit/parking tag. Failure to comply with this request will delay the purchase of the parking permit.

- Student Parking Regulation Form
- Student Parking Registration Card
- Present a copy of their Driver's License for verification only
- Present a copy of their Insurance Card for verification only
