Sunshine is a not-for-profit child care provider that has been proudly enriching the lives of Florida's youth since 1992. As a trusted private provider of school-age child care programs throughout Broward County, we are deeply committed to quality, safety, and meaningful enrichment. All Sunshine programs are fully licensed and insured and operate in compliance with the policies and directives of the Division of Children and Family Services and the School Board of Broward County.

Each day, Sunshine proudly serves more than 2,000 students through our After School Child Care programs, offering a wide range of engaging educational and recreational opportunities. Our on-site programs provide a safe, secure, and nurturing environment where children can learn, grow, and thrive. Through fun, stimulating, and academically enriching activities, we promote both academic achievement and social development.
