**CERTIFICATION
REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY
AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS AND GRANTS**

Federal Executive Order 12549 requires the **Poth Independent School District (District)** to screen each covered potential contractor/grantee to determine whether each has a right to obtain a contract/grant in accordance with federal regulations on debarment, suspension, ineligibility, and voluntary exclusion. Each covered contractor/grantee must also screen each of its covered subcontractors/providers.

In this certification "contractor/grantee" refers to both contractor/grantee and subcontractor/subgrantee; "contract/grant" refers to both contract/grant and subcontract/subgrant.

By signing and submitting this certification the potential contractor/grantee accepts the following terms:

1. The certification herein below is a material representation of fact upon which reliance was placed when this contract/grant was entered into. If it is later determined that the potential contractor/grantee knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the District may pursue available remedies, including suspension and/or debarment.
2. The potential contractor/grantee shall provide immediate written notice to the person to which this certification is submitted if at any time the potential contractor/grantee learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The words "covered contract," "debarred," "suspended," "ineligible," "participant," "person," "principal," "proposal," and "voluntarily excluded," as used in this certification have meanings based upon materials in the Definitions and Coverage sections of federal rules implementing Executive Order 12549. Usage is as defined in the attachment.
4. The potential contractor/grantee agrees by submitting this certification that, should the proposed covered contract/grant be entered into, it shall not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the District, as applicable.

Do you have or do you anticipate having subcontractors/subgrantees under this proposed contract? ____ YES ____ NO

5. The potential contractor/grantee further agrees by submitting this certification that it will include this certification titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion for Covered Contracts and Grants" without modification, in all covered subcontracts and in solicitations for all covered subcontracts.
6. A contractor/grantee may rely upon a certification of a potential subcontractor/subgrantee that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract/grant, unless it knows that the certification is erroneous. A contractor/grantee must, at a minimum, obtain certifications from its covered subcontractors/subgrantees upon each subcontract's/subgrant's initiation and upon each renewal.
7. Nothing contained in all the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this certification document. The knowledge and information of a contractor/grantee is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for contracts/grants authorized under paragraph 4 of these terms, if a contractor/grantee in a covered contract/grant knowingly enters into a covered subcontract/subgrant with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in the transaction, in addition to other remedies available to the federal government or District may pursue available remedies, including suspension and/or debarment.

INSTRUCTIONS FOR CERTIFICATION

- 2 -

1. By signing and submitting this proposal, the prospective contractor/grantee is providing the certification set out below.
2. The inability of a contractor/grantee to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective contractor/grantee shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective contractor/grantee to furnish a certification or an explanation shall disqualify such contractor/grantee from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective contractor/grantee knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the District may terminate this transaction for cause or default.
4. The prospective contractor/grantee shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective contractor/grantee learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is submitted for assistance in obtaining a copy of those regulations (13 CFR Part 145).
6. The prospective contractor/grantee agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
7. The prospective contractor/grantee further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transactions," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the ineligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the District may terminate this transaction for cause or default.
