2026 GUIDE TO COMMUNITY AND MENTAL HEALTH RESOURCES

## **Our Mission**

Motivated by the belief that healthcare is a human right, we provide high quality, affordable care to support healthier people, families and communities.

# Welcome

## Guide to Community and Mental Health Resources

Navigating the community and mental health landscape can be complex. Erie Family Health Centers wants to help our communities get the care they need to feel better and stay healthy. We have developed this guide of essential resources to empower you to provide meaningful support to people who may be struggling. Here, you will find contact information for:

Community-Based Organizations and Resources

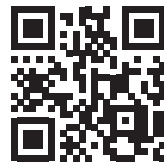

Local and National Phone Support Hotlines

Local Organizations Supporting Mental and Behavioral Health

### Erie behavioral health resources

Visit [erie.health/bh](https://erie.health/bh) or scan the QR code, if you want to learn about some simple coping strategies used in managing some common mental health issues. Each resource

has both an English and Spanish part.

Please speak with a mental health professional or your primary care provider if you are interested in behavioral health services.

If you are having thoughts of self-harm or suicide, call 988 or 911, or go to your nearest emergency room.
