Mansfield Independent School District Honored with ASBO International's Certificate of Excellence in Financial Reporting

Reston, VA – April 24, 2026 – The Association of School Business Officials International (ASBO) is thrilled to announce that **Mansfield Independent School District, (Texas)**, has been awarded the prestigious **Certificate of Excellence in Financial Reporting (COE)**. This honor recognizes school districts that uphold the highest standards of financial reporting and transparency.

The school district earned the Certificate of Excellence for its exemplary Annual Comprehensive Financial Report (ACFR) for the fiscal year ending in June 30, 2025.

"For over half a century, ASBO International's Certificate of Excellence in Financial Reporting has been the gold standard for promoting and recognizing excellence in financial transparency," said Jim Rowan, CAE, SFO, Executive Director of ASBO International. "Clear and accurate financial reporting is crucial for engaging school communities and building their trust. Districts that earn the COE have demonstrated an extraordinary commitment to these principles."

Participation in the COE program highlights a school district's dedication to financial accountability. Submitted ACFRs are rigorously reviewed by a panel of experienced financial professionals, who provide constructive feedback to further enhance the quality of future reports. Districts that meet the program's stringent requirements are awarded the Certificate of Excellence, a distinction that also supports bond rating and continuing bond disclosure processes.

ASBO International's Certificate of Excellence is proudly sponsored by Strategic Partner, American Fidelity.

CERTIFICATE OF EXCELLENCE IN FINANCIAL REPORTING REVIEW COMMENTS

**Mansfield Independent School District
Mansfield, Texas
For the Fiscal Year Ended June 30, 2025**

It is the consensus of the review team to award the Certificate of Excellence (COE). The District is to be commended for its efforts. The Annual Comprehensive Financial Report is of high quality.

Overall, the ACFR is well-prepared, and it appears the district successfully resolved some of the prior year's feedback (for instance, the MD&A long-term debt paragraph now correctly references Notes 7, 8, and 9).

PAGE REFERENCE		COMMENTS
43 & 47		On the Government-Wide Statement of Net Position (Exhibit A-1), "Restricted for Federal and State Programs" is reported as \$3,498,112. However, on the Governmental Funds Balance Sheet (Exhibit C-1), the Restricted Fund Balance for Federal or State Funds is \$3,227,915 , nonspendable Inventories are \$396,130 , and nonspendable Prepaid Items are \$2,325,251. These amounts do not appear to be properly aggregated into the restricted net position line on the government-wide statement to reflect the nonspendable portions.
54		Proprietary Funds Statement of Revenues, Expenses, and Changes in Fund Net Position showed an expense line for capital outlay. Because Enterprise funds use full accrual accounting, capital outlays should be capitalized as assets and depreciated over time, not expensed directly. On Exhibit D-2 (Statement of Revenues, Expenses, and Changes in Fund Net Position - Proprietary Funds), there is still a line item under "OPERATING EXPENSES" for "Capital Outlay" in the amount of \$13,310.
