Redtail Ridge Families,

As we wrap up another wonderful school year at Redtail Ridge, I want to take a moment to thank you for your support, partnership, and trust. It has been an incredible year filled with growth, learning, and memorable experiences for our students.

We have seen tremendous growth in our students academically, socially and emotionally. Their success is a reflection of their hard work, the dedication of our staff, and the strong partnership we share with you. Thank you for all you do to support your child's education and for being such an important part of our school community.

As we look ahead to next year, we know that some of our students and families will be attending other elementary schools. While we will certainly miss seeing them at Redtail Ridge, we feel privileged to have had the opportunity to be part of their educational journey. They will always be an important part of our Redtail Ridge family and we wish them all the best in their new school communities.

For families whose children will be attending another PLSAS elementary school next year, there will be an opportunity to visit and tour your new building before the start of the school year. Please mark your calendars for Thursday, August 27, from 4:00–5:00 p.m. Additional details and information will be shared in the coming weeks.

I also want to share a change to our specialist structure for next year. Across the district, students will participate in Phy. Ed., Music, Art, and ESTEM (Science). While students will no longer have a scheduled media specialist class, classrooms will continue to have opportunities to check out books with their classes and visit our book vending machine. More information about schedules and programming will be shared in your school's communications later this summer.

Thank you again for sharing your child(ren) with us this year. It is truly an honor to be part of their lives and learning. I hope you and your family have a safe, relaxing and wonderful summer. We look forward to seeing many of you again in the fall!

With gratitude,
Mrs. Yetzer
