WELCOME TO SECOND GRADE

Dear Second Grade Parents,

I'm so excited to be your teacher this year again! Second grade is an exciting year filled with growth, independence, curiosity, and learning. I am looking forward to partnering with you to help your child have a successful and memorable school year.

In our classroom, we will work hard, ask questions, celebrate mistakes as opportunities to learn, and create a safe and supportive learning community where every student feels valued.

This year, students will continue building important skills in reading, writing, math, and problem solving. Our classroom will focus not only on academics but also on building responsibility, kindness, and independence. Students will learn how to work together, take ownership of their learning, and become leaders in our classroom community.

I am excited for an incredible year filled with learning, growth, and wonderful memories. Let's make this a wonderful year full of learning and joy!

Warmly

Ms . D
