

1st Grade Welcome Letter

Teacher: Ms. Morales

Welcome to First Grade! I am excited to begin a wonderful year of learning, growth, and fun with your child. My name is Emilia Morales, and I am honored to be your child's teacher this year.

First grade is an exciting time as students become more confident readers, writers, mathematicians, and problem-solvers. Throughout the year, we will work together to create a positive, safe, and engaging classroom where every child feels valued and encouraged to do their best.
In our classroom, students will:

- Build strong reading and writing skills.
- Develop mathematical thinking and problem-solving abilities.
- Explore science and social studies through hands-on activities.
- Practice kindness, responsibility, respect, and cooperation.
- Grow academically, socially, and emotionally.

Communication between home and school is very important to me. This year, I will be using ParentSquare as our primary communication tool to share classroom updates, reminders, important announcements, and school information. I encourage all families to regularly check ParentSquare and feel free to contact me through the app with any questions or concerns. Working together and maintaining open communication will help ensure a successful and positive school year for your child.

I look forward to getting to know you and your child. Thank you for sharing this exciting journey with me. Together, we will make this a fantastic year filled with learning, friendship, and memorable experiences.

If you have any questions, please feel free to contact me through ParentSquare.
