The staff and students of Churchill Middle School invite you to our 6th annual

6th-Grade **WEB** Orientation

Wednesday, August 12th, 2026

8:00 a.m. – 12:30 p.m.

Churchill's MP Room

This year, you will be participating in a program called WEB, **W**elcome **E**very **B**ulldog! The purpose of WEB is to help YOU, our sixth graders, feel more comfortable and to help you achieve success in your first year of middle school. WEB allows 6th graders to have two 8th-grade mentors to help them through their first year of middle school. These WEB Mentors/Leaders are responsible students, role models, and positive leaders who were hand-selected from a large pool of student applicants.

WEB starts off the school year with a fun-filled, educational orientation day welcoming our 6th-grade class. You will get a special welcome by our WEB Leadership team and you will get to meet your mentor/leaders and participate in various games and activities. Students also get a complete tour of the school and will have the opportunity to ask questions about middle school life. We promise you will leave the WEB Orientation with information and strategies that will help you be successful in middle school and meet people who you will see all year.

Please note the following information:

- Please leave backpacks and purses at home. **Bring a refillable water bottle.**
- **You will be taking your school/ID photos during Orientation.**
- This is a student-only function beginning at 8:00 am. Parents will drop you off in front of the school.
- Your parent/guardian will come to an information meeting at 11:30 am and then they can pay for PE clothes, yearbook, etc. and walk your schedule together, if desired.

We look forward to meeting you on **WEB Orientation Day!**

Wednesday, August 12th from 8:00 a.m. - 12:30 p.m.

If you or your parents have questions about the WEB program, contact our WEB Coordinator, Hillary Hartwell, at hhartwell@sanjuan.edu
