Students shall be expected to make up assignments and tests after absences. Students shall receive a zero for any assignment or test not made up within the allotted time.

Teachers may assign additional work to ensure that students who have been absent have sufficient opportunity to master the Texas Essential Knowledge and Skills (TEKS) or to meet subject or course requirements. The assignments shall be based on the instructional objectives for the subject or course and may provide greater depth of subject matter than routine make-up work.

Sec. 1. TESTS AND MAKE-UP WORK

Students shall be permitted to take tests administered in any class missed because of absence.

For any class missed, the teacher may assign the student make-up work based on the instructional objectives for the subject or course and the needs of the individual student in mastering the essential knowledge and skills or in meeting subject or course requirements.

A student shall be responsible for obtaining and completing the make-up work in a satisfactory manner and within the time specified by the teacher.

Sec. 2. LATE PROJECTS

Teachers may assign a late penalty to any project turned in after the due date in accordance with previously established guidelines approved by the Principal and disseminated to students.
