The Superintendent or designee shall ensure that the notice regarding legal restrictions on anabolic steroids required by Education Code 38.008 is posted in a conspicuous location in the gymnasium of each school in which there is a grade level of seven or higher and in each other place in a building where physical education classes are conducted.

Specifically, the notice shall state:

Anabolic steroids are for medical use only. State law prohibits possessing, dispensing, delivering, or administering an anabolic steroid in any manner not allowed by state law. State law provides that body building, muscle enhancement, or the increase of muscle bulk or strength through the use of an anabolic steroid or human growth hormone by a person who is in good health is not a valid medical purpose. Only a medical doctor may prescribe an anabolic steroid or human growth hormone for a person. A violation of state law concerning anabolic steroids or human growth hormones is a criminal offense punishable by confinement in jail or imprisonment in the Texas Department of Criminal Justice.
