

LARRY G. MEEKS

ACADEMY

August 2026

Welcome to Larry G. Meeks Academy!

At Larry G. Meeks Academy, we are committed to providing a flexible, personalized educational experience that meets the unique needs of every student. As a virtual learning program, we recognize that students learn in different ways and thrive in different environments. Our goal is to partner with families to create learning experiences that empower students to achieve academic success while developing independence, responsibility, and confidence.

We believe that strong relationships are at the heart of student success. Our teachers, support staff, and administrators work closely with students and families to provide individualized guidance, academic support, and meaningful connections throughout the school year. By fostering open communication and collaboration, we strive to ensure every student feels supported and every family feels valued as a partner in the educational process.

A key focus at Larry G. Meeks Academy is literacy. Strong reading, writing, speaking, and critical thinking skills are essential for success in every subject area and in life beyond school. We are committed to supporting literacy development across all grade levels and content areas, helping students become confident learners who can access and engage with challenging academic content.

As a school, we are continually working to strengthen our systems, improve our services, and enhance the educational experience we provide. We are committed to being responsive to the needs of our students and families while maintaining high expectations and providing the support necessary for students to meet those expectations.

The flexibility of our unique program offers tremendous opportunities for students to take ownership of their learning. At the same time, we recognize that success requires a strong partnership among students, families, and school staff. Together, we can create an environment where students are empowered to set goals, overcome challenges, and reach their full potential.

Thank you for choosing Larry G. Meeks Academy. We are honored to be part of your educational journey and look forward to working together to support student success throughout the year.

Warmly,

Colleen Perry
