- ☐ Practice math facts (flashcards or on an app)
- ☐ Help cook a meal that requires measuring ingredients
- ☐ Count money
- ☐ Help with the shopping list at the grocery store
- ☐ Play a card game with a friend or as a family
- ☐ Create your own board game and play it together

COMMUNICATION

- ☐ Talk on the phone with a family member and explain three interesting facts about yourself
- ☐ Have a conversation with your family about your family history
- ☐ Think of something you're good at and explain how to do it to a friend or family member
- ☐ Explain to your family what it means to "Be a Lutacaga Lion"

EXPLORE

- ☐ Visit the park as a family
- ☐ Research and learn about an interesting animal
- ☐ Draw a picture
- ☐ Help at home with some summer chores
- ☐ Go for a family walk

Our Lutacaga Lions Summer Challenge is designed to keep students learning, growing, and engaged all summer long! Through a variety of simple, fun activities, students will practice reading, writing, math, and communication while also spending meaningful time as a family. Please support your child by helping them complete these activities throughout the summer. If they do, they can turn it in at our Back-to-School BBQ near the food table to earn a prize.
