☐ **Temporary Shelters** A temporary residence provided for homeless individuals who would otherwise sleep on the street or a temporary residence provided to individuals in emergency situations. This is also applicable to children who are in temporary residences awaiting permanent placement in foster care.

☐ **Hotels/Motels** A temporary residence for homeless individuals usually requiring payment or vouchers for lodging and services on a daily, weekly, or monthly basis.

☐ **Temporarily Doubled Up** A temporary residence where a homeless family is sharing the housing of other persons due to the loss of housing, economic hardship, or other similar reasons.

☐ **Temporarily Unsheltered** A type of residence for homeless individuals that is not meant for human habitation, such as cars, parks, sidewalks, abandoned buildings, campgrounds, trailer parks, bus and train stations, or persons abandoned in the hospital (on the street).
