FROM THE

PRESIDENT'S OFFICE

The Impact Report gives us a moment to pause and reflect with grateful hearts on all that has been made possible through your generosity. Our gratitude runs deep. Because of you – our alumni, parents, and friends – Canisius High School continues to flourish in its mission to form young men of intellect, conscience, compassion, and a commitment to justice.

Our enrollment is strong, drawing students from more than 120 schools and 44 districts across Western New York, as well as from Canada and Germany. A recent national study of Jesuit schools noted that 27% of our students live in poverty – a reminder of both the wide reach of our mission and the responsibility entrusted to us. At the same time, the number of Ignatian Scholars – our highest-achieving students – has doubled. Our retreat and service programs are full, our classrooms are alive with energy, and our young men are growing into the leaders our world urgently needs.

This wide range of backgrounds and gifts, united by a common purpose, is part of what makes Canisius such a remarkable community. But it does not happen on its own. Building and sustaining this community requires intention, resources, and great care.

Our outstanding faculty and staff work every day to help our students become intelligent and discerning young men – men of character and faith, depth and integrity, resilience and strength, compassion and generosity. The world desperately needs good men. The mission entrusted to us by St. Ignatius Loyola and the Society of Jesus is as vital today as it has ever been.

In the pages ahead, you will read about Bill Weppner '53 and Patrick Collins '16 and their ongoing commitment to Canisius. They reflect the enduring care and loyalty that span generations of our Canisius community.

Our mission is an awesome responsibility – and a sacred one – and we carry it forward together. Your support ensures that a Canisius education remains accessible, rigorous, and transformative. It strengthens families, enriches our city, and shapes the future of our Church and nation. You make a difference.

Thank you for your partnership in forming the next generation of "men for others." Thank you for helping us do great things for our young men – and through them, for the world.

A.M.D.G.

Fr. David Ciancimino, S.J.

Principal Tom Coppola '01 addressed the crowd gathered at the Accepted Students Night in Scaccia Auditorium.

FROM THE

PRINCIPAL'S OFFICE

The journey our young men take at Canisius High School starts and ends at the same place: Scaccia Auditorium.

Freshman Orientation sees their young faces fill row after row following their ceremonious first walk through the Blue Doors. As matured, educated, formed seniors, they officially become alumni when they walk across the stage during our Commencement Exercises.

As we take a moment in these pages to look back at an extraordinary year at CHS – even while in the midst of another one – a familiar theme rises above all: gratitude. We are so thankful for so many things in and around our community, including the years-long restoration of Scaccia Auditorium thanks to esteemed alumnus **William Weppner '53**.

In between our students' first and last days, Scaccia Auditorium is the site of so many moments: listening to homilies as we gather for Mass, reconciliation, House Games activities, assemblies, and of course our Fine Arts Night performances and tremendous CHS Drama Guild productions. Accepted Students Night allows a sneak preview of sorts when we welcome our newcomers to the Aud, while it is the special site of a special event each Grandparents Day.

It is part of our greater community when we honor our very best at our Alumni Awards (included in this issue), when alums gather for the fantastic tradition of Jug Night, and when hundreds of supporters fill the floor during GAMBIT's silent auction. During our All Alumni Bash each June, graduates from throughout the decades bring their family members inside from Tripi Field, telling them: You've got to see this place.

In recent years a favorite highlight of mine has been the BPO at CHS concerts. It was not just for the excellent music of the Buffalo Philharmonic Orchestra, but because it is amazing to experience first-hand why the Aud was built nearly a century ago: As a concert hall for beautiful musical performances.

When I was a student, I was a part of basketball teams that played in the Aud, and I remember later watching the stirring performance by **Sean Brady '08** in the final game there in 2008. I also remember the batting cage being up on the stage – and seeing the holes in the walls and columns that resulted from batted balls (or lacrosse balls).

So to have seen it then, and to see it now … the restoration has been incredible to watch. Scaccia Auditorium is such an iconic part of Canisius High School, and now we are seeing it in all of its glory. It is truly awesome.

Our current community and those who will join it in future years will benefit so much from the tremendous gift that Mr. Weppner has provided via this restoration. He understands all that comes with such a great space, he knows its legacy, and he has helped enhance and preserve it through his dedication to our school.

With gratitude,

Thomas D. Coppola

RESTORING SCACCIA AUDITORIUM

William Weppner '53 initiates the restoration of the 100-year-old space

The Scaccia Auditorium is always an awe-inspiring sight, whether it is being seen by first-time visitors or by CHS community members who enjoy it on a regular basis.

Now, thanks to the generosity of one alumnus, its beauty is being restored to a level that hasn't been witnessed for decades.

William Weppner '53, who has long adored our historic auditorium, has donated hundreds of thousands of dollars to restore and renovate an architectural treasure of not just CHS but Western New York.

"I am very proud and happy to be a part of this amazing project – the Aud is a jewel," said Weppner, who has monitored the restoration from his home in Tennessee. "I view these pictures and want to cry. You all must love watching the process and the progress."

Weppner is an educator, veteran and a former NASA flight controller for some of our country's greatest space achievements.

He earned his electrical engineering degree from the University at Buffalo and a master's from the University of Oklahoma.

William Weppner '53

Weppner's expertise took him to NASA's Mission Control Center in Houston, where he served as a flight controller for Apollo missions 7 through 13, including the historic Apollo 11 moon landing. He retired from the Air Force in 1980 as a major.

Since 1988 he has taught mathematics at Southwest Tennessee Community College, where he is an Associate Professor of Mathematics.

"Words cannot express the amount of gratitude we have for Mr. Weppner, who initiated this ambitious project and has supported it enthusiastically throughout its various phases," said Vice President for Institutional Advancement **Andy Deyell '91**.

Phase One of The Scaccia Auditorium renovation began in February 2024 with the repair and re-painting of the columns. In recent decades, the columns were wrapped in steel coils to protect them from additional damage, as the auditorium had been used by both the baseball and lacrosse teams as an indoor training facility. The balls from each sport did significant damage to the columns over the years.

One by one, the columns were unwrapped, repaired, and repainted to their original color. The work by Antonicelli Concrete Masonry was completed in the spring of 2025.

Phase Two began in February 2025. McHugh Painting Company Inc., a Western New York leader in historic building restoration, cleaned, repaired and restored the ornate work around the stage, the tops of each column, the inscription above, as well as the side interior walls and exit doors.

Each area was cleaned to ascertain what original colors were used; those were then matched with paints to restore each feature to its original brilliance.

Restoration of each of the capitals (the tops of each column) took place next, as each Corinthian capital was cleaned and repainted.

There are 27 stenciled blocks adorning the sides and across the top of the stage. Each block was cleaned, the many colors were matched, and new stencils applied to match the original work.

Outside the stenciled blocks on each side of the stage was a large area that included relief sculpture. Over the years, the color of this area had become a mishmash of different greens and browns. These areas were cleaned, repaired and were repainted uniformly.

The large inscription that encircles most of Scaccia Auditorium was cleaned, repaired and repainted and is now much more readable.

The first third on the left reads, "From the Light of the Divine Word, the Logos, comes the Wisdom of Life, the Goal of Initiation." Over the stage is the Latin phrase "Ad Universi Terrarum Orbis Summi Architecti Gloriam," which means "To the Glory of the Grand Architect of the Universe." On the right is "He That Dwelleth With You Shall Be Unto You As One Born Among You and Thou Shall Love Him As Thyself."

During **Phase Three** in early 2026, all of the figurines and areas above the inscription were also cleaned, repaired and repainted.

Also, the left and right interior walls and egress doors of Scaccia Auditorium were repaired and repainted, with gold leafing added to the exit signs. The walls were repainted a slightly different shade of brown than the columns to offset the columns and make them more noticeable.

The **Final Phase** that will go through the summer and into the fall of 2026 will see a restoration to the auditorium ceiling's iconic sunburst. The colored glass has been removed for cleaning while some damaged pieces are being replaced or repaired.

Weppner has a simple message to CHS students as the upgrades to Scaccia Auditorium near their completion.

"This is yours," he said. "Cherish it."

CHS: A PLACE YOU GO FROM

Pat Collins '16 speaks on his time at Canisius High School, how it shaped him, and why he is giving back

Pat Collins '16 poses with fellow classmates in Scaccia Auditorium during JUG Night in 2024.

What was your time at CHS like and how has your career journey transpired?

I couldn't have asked for a better experience during my four years at Canisius. I tried my best to immerse myself in the campus community, saying "yes" to everything from AP courses and athletics to clubs and campus ministry retreats. I credit the school's faculty and staff for teaching me countless life lessons and laying the foundation for the rest of my life. As Ms. Andrea Tyrpak-Endres used to say: "Canisius is not just a place you go to; it's a place you go from." Looking back on my time at CHS, these words couldn't ring truer.

I went on to pursue my bachelor's degree in finance from Canisius University. Today, I live in the Buffalo area and work as a Wealth Manager at WNY Asset Management. A lot of what I learned at CHS – the importance of discipline, empathy, and intellectual curiosity – plays into my line of work every day. My job has provided a great way to put my education to use while helping those in our local community make wiser financial decisions. Plus, it helps working alongside talented alums like **Will Mistretta '09** – someone who pushes me to be my best.

Why is Canisius a philanthropic priority for you?

As a product of Jesuit education, I can attest to the difference that Canisius makes in the lives of its students. Taking boys from all corners of Western New York and shaping them into young men is no easy task, but the Canisius community has consistently delivered in developing leaders of tomorrow. I admire the school's work in instilling Jesuit values in those who walk the halls of 1180 Delaware Avenue every day. I've long been proud of Canisius' reputation in the Western New York community, and I hope my donations can help the school continue to carry out its mission for decades to come.

In what other ways do you support CHS?

Attending college at Canisius University allowed me to stay involved in all things CHS after graduation. I was fortunate to serve as the assistant swim coach for three seasons while in college and enjoyed the chance to further the team's legacy of success. Once I began my professional career, I joined the school's Alumni Board – working with Director of Alumni Relations **Jay Josker '01** and other CHS graduates to spearhead alumni events and engage our classmates. It's been a great way to stay connected to the CHS mission while remaining in the know about the exciting developments happening on campus.

What would you like to share with other alumni about supporting CHS?

I think there are young alums who (wrongly) assume that unless they're donating hundreds of dollars to the school, their contributions don't matter. I often argue that this logic is flawed. You don't have to be a millionaire to make a difference – simply giving what you can is all it takes to leave an impact and help future generations of Crusaders. For younger alums who want to give back to Canisius but don't yet have the financial means of doing so, I encourage you to volunteer your time at the school. Whether it be mentoring current students, coaching a sports team, or attending an alumni event, your presence on campus will continue to bolster our CHS community.

LEGACY LUNCHEON

Sabres Assistant GM Jerry Forton '82 gives keynote address; teacher and coach Sam Belsito honored

"If I didn't have the experience of being a soccer and hockey player at Canisius High School, there's a zero-percent chance I'd be working in the NHL right now. And there's zero-point-zero-zero chance I'd be standing here right now."

Those were the words of our keynote speaker, Buffalo Sabres Assistant General Manager **Jerry Forton '82,** who gave a great talk at the tremendous 2025 Legacy Fund Luncheon.

Hockey and soccer are also the sports that longtime coach Sam Belsito happens to have won state championships in during his outstanding tenure at CHS; no other coach in CHS history has won state titles in different sports.

Belsito, a physical education teacher in his 23rd year at Canisius, was the coaching honoree at this year's event, held at the Foundry Suites in September. Belsito was presented the award by Director of Athletics Jim Mauro, Principal **Tom Coppola '01** and Legacy Fund chairman **Rocco Diina '96.**

"It is a passion for the game, and more importantly, it's a passion for Canisius High School – Sam embodies that every day for us and he stays consistent with our mission," Mauro said of Belsito, the varsity hockey coach. "There's no better person to receive an award here for his dedication and commitment."

The Legacy Fund Luncheon supports academic scholarships to provide deserving Crusaders with a Jesuit education as well as capital purchases for our athletic department to ensure that our teams remain competitive at the highest levels of high school sports in Western New York. Among the most recent projects was our new turf on Koessler Field at the Stransky Memorial Complex.

Jerry Forton '82, who addressed the crowd at the 2025 Legacy Luncheon (top), later accepted a honorary jersey from **Xavier Gates-Franklin '27** and **Nick Scime '26**. At bottom, Sam Belsito accepts his coaching award that was presented by Legacy Fund Chairman **Rocco Diina '96**, Principal **Tom Coppola '01** and Director of Athletics Jim Mauro.

Twenty-two CHS alumni joined an exclusive group on Nov. 8, 2025 in a stirring ceremony at Scaccia Auditorium as their exceptional contributions in business, law, science, religion, education, community service and athletics earned Canisius' highest recognition.

PETER AUGUSTINE '83 – BUSINESS

Augustine started his career as an accountant at New Era Cap Company before being named president in 2003. Under Pete's leadership New Era became a global sports and fashion brand headquartered in Buffalo. Since leaving New Era, Pete has lent his expertise as a board member for many local organizations including The Children's Hospital of Buffalo Foundation and NativityMiguel School. Augustine was recently named chairman of the CHS Board of Trustees after serving as vice-chair for nine years.

ON CHS: *As I reflect on life almost 50 years removed from my days at Canisius it's easy to see the impact it had on me. My closest friends trace back to those days. The education I received helped me to succeed beyond anything I thought possible. Words of the many teachers who helped shape me still run through my mind. Most importantly, my education at Canisius emphasized the importance of giving back to the world and community I live in.*

DR. MICHAEL MCPHADEN '68 – SCIENCE

Dr. McPhaden is a leading National Oceanic and Atmospheric Administration climate scientist studying large scale ocean dynamics as the Director of the Global Tropical Moored Buoy Array. For his work, McPhaden has been awarded a U.S. Department of Commerce Gold Medal, a Presidential Rank Award for Meritorious Service and a shared Nobel Peace Prize for his contribution to the Assessments of the Intergovernmental Panel on Climate Change.

ON CHS: *It is a great honor to be inducted into the Canisius High School Distinguished Alumni Hall of Honor and to be counted among such an accomplished and distinguished group of alumni. I am humbled to have my name included on a list that reflects the very best of the Canisius tradition. Physics and chemistry classes at Canisius introduced me to the scientific method and how it leads to a reliable, evidence-based understanding of the world. This experience laid the groundwork for my career as a research scientist.*

HON. PATRICK NEMOYER '70 – LAW

NeMoyer served as the Erie County Attorney from 1988 to 1993 before being appointed U.S. Attorney for the Western District of New York. In 1997, he was elected to the New York State Supreme Court. He was appointed to the 4th Department of the Appellate Division in 2016. He was named Judge of the Year by the New York State Trial Lawyers Association, Western District, in 2006, by the bar association's Commercial and Bankruptcy Committee in 2001 and by its Family Law Committee in 2000.

ON CHS: *As most of you know by now, my husband, Patrick, passed away in May 2025. He had been made aware of the Canisius High School award before he died and was very honored to have been considered. A Jesuit education is a holistic approach to learning that emphasizes intellectual, moral, and spiritual development, aiming to form individuals who are competent, compassionate, and committed to justice.*

-Elyse NeMoyer

PHIL PERNA '70 – BUSINESS

Perna began his career as an associate at Hodgson Russ and M&T Bank before assuming the role of President and CEO of Supermarket Management – a company that franchises and operates four Tops Markets. In 1999 he became the Director and Executive Vice President of 7680 Transit Road, overseeing 16 Tim Horton's locations. He still holds both of those roles. He is a past president of Leadership Buffalo and has served on the boards for the Buffalo Niagara Partnership and Sisters Hospital Foundation.

ON CHS: *Thank you Father Ciancimino, the Board of Trustees and Alumni Association of Canisius High School for this wonderful honor. I am very proud to be a Canisius graduate and being recognized in this fashion is one of the highlights of my life. I would also like to congratulate my fellow honorees and in particular, my fellow Class of 1970 classmate, Hon. Patrick NeMoyer. I am humbled to be in the company of such distinguished alumni.*

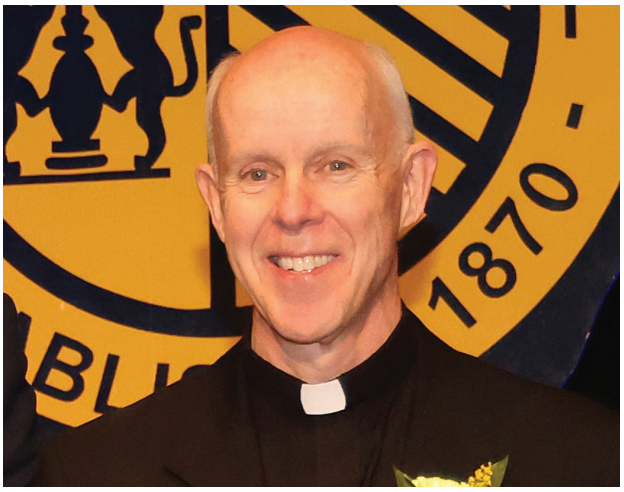

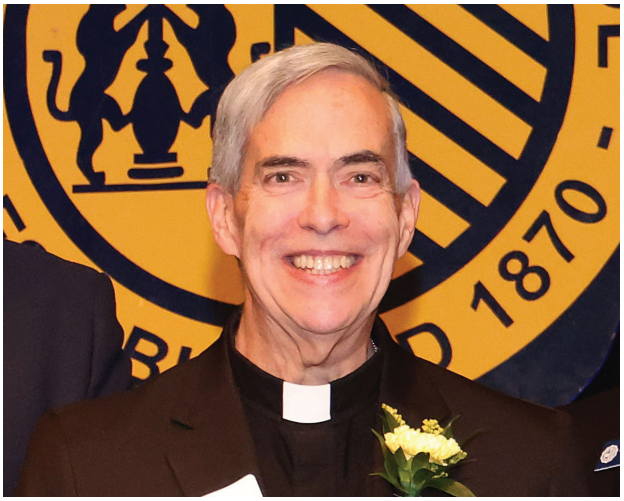

ALUMNI AWARDS

REV. MICHAEL CORCORAN, S.J. '76 – RELIGIOUS

Corcoran – a teacher by trade who taught math and religion at CHS for 10 years – served as the Superior of the Jesuits in Yap and Palau Micronesia. During that time he simultaneously served as the inaugural Principal and Director of Yap Catholic School, overseeing its establishment and growth from 35 students to an enrollment of 100 today. He is currently the superior of the Murray-Weigel-Kohlmann community at Fordham University, the health care community of the USA East Province of the Society of Jesus.

ON CHS: *Canisius nurtured in me a passion for learning. Inspired by both Jesuit and lay faculty, I developed a deep desire to teach math and science (and coach) in a school setting. Over the course of more than 30 years, I was lucky to be assigned to CHS two different times. Other assignments included the founding of Yap Catholic High School in Micronesia, a school that has sent many graduates to Jesuit colleges and universities across the U.S. Most recently, I was delighted to accept the invitation to join the Canisius Board of Trustees.*

REV. JACK MATTIMORE, S.J. '76 – RELIGIOUS

Mattimore has spent the majority of his career in service to those on the margins. After serving as the principal of Canisius High School he was simultaneously named chaplain of St. Luke's Mission of Mercy, Roswell Park Cancer Institute and Holy Angels Academy. He then served as the chaplain of the federal detention facility in Batavia before being named director of Yap Catholic High School. Upon his return to the U.S., Mattimore continued his prison ministry at Riker's Island and at the Thrive for Life Prison Project – a nonprofit that provides assistance to current and former inmates.

ON CHS: *The CHS students have always taken first place in my heart. My classmates from 1972-1976 were the best (at least we thought so). My students during regency from 1981-1984 taught me more than I taught them and always kept me humble. The students during my years as principal from 1997-2002 were outstanding. I am especially grateful to the Class of 2002. Thank you, CHS. Thank you, God.*

REV. JAMES MIRACKY, S.J. '76 – RELIGIOUS

Miracky began his career at Holy Cross where he taught English literature before serving as chair of the English department and then as the Associate Dean for Faculty Development. He was named Dean of the College of Arts & Sciences at Loyola University Maryland in 2010. In 2014, he was appointed Provincial Assistant for Higher Education for the Maryland and Northeast Provinces before they merged into the USA East Province. He is currently the VP for Mission Integration at St. Peter's University.

ON CHS: *Without Canisius High School, I truly believe I would not have become what I am nor accomplished much of what I have done in my life. If I hadn't moved to Buffalo and transferred to CHS in my sophomore year, I might never have met the Jesuits, fallen in love with learning, literature and theater, learned to make lifelong friends and been exposed to the Jesuits' mission of serving others and promoting social justice.*

REV. THOMAS SLON, S.J. '75 – RELIGIOUS

An architect by trade, Slon started his career at Arthur John Sikula Associates focusing on Church renovation after Vatican II. After a short stay as the America House Interim Minister, Slon was named Socius – executive assistant to the Provincial – for the USA Northeast (now USA East) Province. As socius Slon served as the "second in command" for the province overseeing daily operations and communication with the various provincial entities and provincials assistants. Tom then returned to Buffalo to serve as the Superior of the Jesuit community at Canisius University – overseeing eight Jesuits working in various capacities across Western New York. In 2024, Slon was named Socius to the Jesuit Conference USA overseeing the six provinces of the United States and Canada.

ON CHS: *Thank you, Canisius High School, for teaching the love of literature. And thank you for so much more.*

REV. MICHAEL TUNNEY, S.J. '76 – RELIGIOUS

An influential and renowned art teacher, Tunney founded the Studio Arts program at Canisius University and guided its merger with three other arts programs to create the Fine Arts Department. Tunney then chaired the department before being named Superior of the Jesuits at Fairfield University. Since 2021, Tunney has served as the Provincial Assistant for Higher Education at the USA East Province.

ON CHS: *"The glory of God is the human person fully alive." St. Irenaeus said that back in the Second Century. No one ever said that directly in my CHS years, at least not that I remember. But my teachers, Jesuit and lay, and staff and administrators, favorites and those who bore my childish displeasure, all pointed to a larger world beyond my knowing. And at their best they showed me how I might yet get out of my own way and make something worthwhile of my life. Something that will make our too much suffering world a little better for having had me occupying creation. I know here I owe them all a large debt of gratitude.*

REV. JAMES VAN DYKE, S.J. '77 – RELIGIOUS

Van Dyke began his career as a beloved English teacher and rowing coach at Canisius High School. He served in similar roles at Xavier, McQuaid and Fordham Prep. In 2013, he was named principal of Cristo Rey Atlanta High School. Since 2018, Van Dyke has served as the President of Georgetown Preparatory School where he has led the expansion of the school's athletic and dormitory facilities through a $70 million capital campaign.

ON CHS: *I have a tough time figuring out my relationship with Canisius High School. After all, I've been here four times. Back when days were days, and the world was still young, and the elm trees still hung over Delaware Avenue, I arrived at the Blue Doors thinking maybe I would get an education. And I left after forty-five years with the gift of a vocation, the only calling worth my time. For that, and for the many, many people who helped me find it along the way but especially, especially here, I am forever grateful.*

JOHN F. BARNES AWARD

In recognition of lifetime contributions to Canisius High School Athletics

TIM KANE '80 – SOCCER

Tim was a member of the inaugural CHS soccer team – which was founded by his father, **Dr. Leo Kane '50** – and was a two-time All-Catholic selection and a first-team All-State pick as a senior. He earned league MVP honors as he captained the 1979 team to an undefeated league season and Monsignor Martin Athletic Association championship in just the program's second year of existence.

Since his time on the pitch, Tim has been an avid supporter of the soccer program, helping to fund capital expenses including new turf. With his support, the program has grown from a single team of 20 players to a program with four teams and 70 athletes.

Kane also started the Leo A. Kane, MD '50 Scholarship in his father's honor to support current students.

Tim and his father are the first father-son duo to receive the Barnes Award.

ON CHS: *When Father Ciancimino called me with the news that I was named the winner of the 2025 John F. Barnes Award, I was absolutely thrilled. I am aware of the legacy of Coach Barnes. My father would often take me and my brothers to the annual Canisius-St. Joe's football game, even when we were very young. After I hung up with Father Ciancimino, I immediately went online to check for past winners. The list is most impressive, and I completely forgot that my dad received it in 2008. He has received several awards from Canisius, and I just forgot he was bestowed this honor. Then my eyes welled up as it dawned on me, that we were the first father-son duo to receive this prestigious award.*

ALUMNI AWARDS

MICHAEL BIELECKI '06

Wrestling

The four-year varsity wrestler and captain was named Monsignor Martin Athletic Association Wrestler of the Year in 2006 on his way to a Catholic High School Athletic Association state championship. He is one of only three CHS wrestlers to win the CHSAA Iron Man award – given to wrestlers who place in the top six at the state tournament four years in a row.

ON CHS: *I'm incredibly honored to receive this recognition. It's undoubtedly a reflection of the guidance, values, and care of my family and mentors.*
Thanks to my family for making the investment in Canisius High School. Attending CHS is the highlight of my youth and the foundation for anything I've achieved since.
Thanks to coaches Chris Heximer and Mike Mazzara '88 for their guidance and dedication to Canisius High School wrestling. Both Chris and Mike spent countless hours mentoring and coaching our team through practice, matches, and day-long tournaments each weekend. They reinforced that we should all be men of conviction, to put our CHS values first, and that we were always representing our family and school. Success starts and stops with our own decisions.

JOHN BOLAND '66

Football, Basketball

The team MVP, Burke Division All-Star and unanimous All-Catholic tight end played offense, defense and special teams for the Crusaders, recording 10 sacks in eight games during the undefeated 1965 season. On the hardwood, he led Canisius to a Manhattan Cup championship.

ON CHS: *My sincere thanks to Jay Josker and the administration of Canisius High School for hosting this special awards ceremony.*
I also want to give special recognition to my former teammates: Tom Housler '66, Paul DiRosa '66 and Michael Thompson '66 for nominating me for this great honor.
Many thanks also to my family and friends for all the support and encouragement I have received today and throughout my long life. One last acknowledgement to my mother, Mary Pat Boland, for taking time in her nearly one hundred years of life to help us celebrate this special day!

CHRIS CURRAN '97

Football

A captain and three-year member of the varsity football team, Curran was named team MVP and WNY Lineman of the Year after a senior year in which he recorded 68 tackles – including 12 for loss – and 15 quarterback pressures.

ON CHS: *I am deeply grateful and truly honored to be inducted into the Canisius High School Athletic Hall of Fame. This recognition is both humbling and profoundly meaningful to me, as so many of the lessons, values, and opportunities that have shaped my life began within the walls of this exceptional school.*
I would like to express my heartfelt thanks to the incredible coaches for whom I had the privilege of playing for, Ron Brodnicki and Marc Hudak. Your dedication and leadership instilled a passion for football in every team I was part of. I'm especially grateful for the friendships I formed with some amazing teammates – Fred Hamp '95, John Eberl '95, and Brian Lysiak '98 – thank you for being not just great players but also friends.
Canisius holds a special place in my heart, and I will forever be thankful for the opportunity to be part of the legacy of this extraordinary school. I hope to continue representing Canisius with pride and honor for years to come.

ALEC POKORNOWSKI '11

Swimming

The four-year member of the swim team is a three-time All-American, three-time New York State top 10 swimmer, 12-time All-Catholic champion, three-time Team MVP and two-time CHS Athlete of the Season. He set multiple school and league records.

ON CHS: *I want to thank all of my friends and teammates who swam with me over the years, especially my closest friends Garrett Grasser '11 and Kyle Smith '11, for always having my back in and out of the pool. Swimming is primarily considered an individual sport, but being with others that share a common goal, support, talent, and a positive work ethic will always characterize swimming as a team sport.*
I especially want to thank my brother, Chris Pokornowski, Class of 2008, for being a role model as a teammate, swim team captain and, most of all, as a brother.
Thank you to Coaches Brian Spurlock, David Genco, and Christopher Stuff. Their guidance and technical expertise in swimming added immeasurably to my success at Canisius and the dominance of the Canisius Swim Team in the Monsignor Martin Athletic Association and at the state level.

PAUL STEINIG '10

Hockey

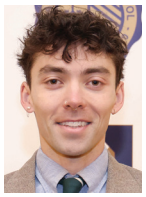

Steinig is the most decorated hockey player in program history. In 2010 the team captain was named New York State MVP, Monsignor Martin MVP, CHS Winter Sports MVP and Team MVP while leading the Crusaders to back-to-back Monsignor Martin, Varsity Federation, and Catholic state championships. As a coach, he led the Crusaders to a third state title in 2014.

ON CHS: *I am truly honored and humbled to be inducted into the Canisius High School Athletic Hall of Fame with so many amazing Crusader student-athletes. Thank you to Canisius High School, Fr. Ciancimino, the Board of Trustees, and the Alumni Association for this honor. I am forever grateful to be a Canisius Crusader. Truly the best decision my parents ever made for me was sending me to Canisius, and ever since I walked through the Blue Doors for the first time, I have tried to be a Man for Others in all that I do.*
I am so blessed to be able to play this amazing sport and for everything it has given me. My four years on the Varsity Federation Hockey Team led to some of my favorite and the most lasting memories of my life.

COLE TOWNSEND '11

Cross Country, Track

The All-American is one of the most prolific runners in CHS history. As a senior he earned All-State honors for indoor and outdoor track. He set the Western New York record in the 3,200 meters and holds school records for both the 3,200 and 3,000. He claimed a Catholic state championship and went on to place fifth at the overall NYS Federation meet and sixth at the New Balance national meet. Townsend was also an All-WNY Cross Country runner who set the CHS record for the 3-mile.

ON CHS: *I am so honored to join the esteemed ranks of athletes in the Canisius Athletic Hall of Fame. I couldn't have made it here without the unwavering support of my family.*
I was lucky enough to have so many inspiring coaches and teammates throughout my time at CHS. My rowing coaches, Justin Farrington and Nick Zinter '01, instilled in me confidence and resilience.
I wouldn't have been able to leverage those traits without the coaching of Brian Lombardo. Brian guided my passion for running, letting me challenge myself in workouts, working with me on setting both attainable and lofty goals.

JOE ZERA '01

Basketball, Volleyball, Track

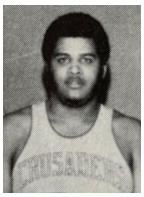

The All-Catholic guard tallied 607 points as a senior and finished fourth all-time in scoring at Canisius with 1,197 points while leading the Crusaders to back-to-back state championships. Zera was also a three-year All-Catholic starter for the volleyball program who led the team in kills as a senior. On the track, Zera claimed All-Catholic titles in the 800 meters and 4x800 relay.

ON CHS: *I'm truly honored and humbled to be inducted into the Canisius High School Athletic Hall of Fame. Congratulations to my fellow inductees. I'm grateful to share this special moment with all of you. Thank you to Canisius High School, the Hall of Fame Committee, and Fr. Ciancimino for this incredible recognition. I feel fortunate to call myself an alumnus of this exceptional institution. My four years as a student Crusader shaped me academically, athletically, and personally. The lessons I learned, like discipline, teamwork, trust, perseverance, and love, still guide me every day. I am proud to stand among the remarkable gentlemen who have been recognized in the Hall of Fame before me.*

ROD NICKSON '76

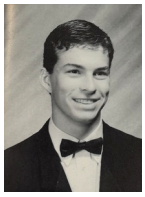

Football, Basketball

The All-Western New York lineman played three years of varsity football, was a member of the undefeated streak teams, and earned first-team All-State honors as a senior. Nickson was also a three-year member of the varsity basketball team.

GREG SHEA '96

Basketball, Baseball

The 1992 CHS Athlete of the Year was an All-Catholic selection and All-Western New York Honorable Mention in basketball. As a catcher for the baseball team, he led the Crusaders to a Georgetown Cup and Mayor's Cup while earning All-Catholic second-team honors.

WAYS TO GIVE

There are many options to consider when making your gift to CHS. We are grateful for your support.

Cash or Check

Gifts may be made by cash or check payable to Canisius High School. You can use the memo line on the check to designate your gift to the fund of your choosing.

Credit Card, PayPal, Venmo

Credit card, PayPal and Venmo gifts may be made by visiting www.canisiushigh.org/support. If you would rather we reach out and contact you directly for your credit card information over the phone, please indicate that on your donation card or call (716) 200-0265 and speak with Vice President of Institutional Advancement Andy Deyell '91.

Stocks or Securities

Gifts of appreciated stock generally offer a two-fold tax saving: avoiding capital gains tax on the increase in value of the stock and providing an income tax deduction for the full market value of the stock at the time of the gift. Visit www.canisiushigh.org/support/areas-of-support#stock

Matching Gifts

Many employers will match their employees' donations. This opportunity provides an additional source of revenue for Canisius and is an easy way to leverage your gift into a larger donation. Check with your human resources department to see if your company participates in a matching gift program. Donors must initiate the matching gift process and are given credit for their original gift and any matching gift they secure!

Planned, Estate Gifts

Donors may consider giving through such means as life insurance, bequests or charitable trusts. Gift planning can be a way to reduce or avoid tax estate and inheritance taxes. Please visit www.canisiuslegacy.org for more information on making planned or estate gifts. Donors should always speak with their financial planner before considering any kind of planned or estate gift.

Questions?

Feel free to reach out directly to Vice President of Institutional Advancement **Andy Deyell '91** for more information on any of these giving options: Call (716) 200-0265 or send an email to deyell@canisiushigh.org

'BE GOOD. DO GOOD. GOD BLESS. AND GO CRUSADERS.'

During commencent, **Jack Ganci '25**, a Buffalo native who is attending Ohio State University, delivered his Mr. Canisius speech.

An excerpt:

"At Canisius, we're invited to say 'yes' to God, to others, and even ourselves.

"We're called to come out of our comfort zone and put our faith in others. It's an uncomfortable yes, but in the end, leads to strength and joy.

"Say 'yes' to all you encounter. Say 'yes' to a conversation with a stranger. Say 'yes' to helping someone in need. Say 'yes' to love and a positive attitude.

"As we move into the next chapter, let's take what we've learned here and show it to the world.

"When the rest of the world says no, let say 'yes' to what's right."

John Eugino '25 (Fordham University) and **Ryan Berenji '25** (University of Rochester) make their way down the aisle.

ALUMNI GIVING

Donations are listed by each graduating class. A total of 1,645 alumni donors contributed this year. If the rest of our 8,000-plus alumni made a gift of just $25, it would raise more than $200,000 for CHS students and programs.

GAMBIT 50!

"Let's make sure that Canisius continues its great legacy of developing the talents of our young men, for the service of others, and for the Greater Glory of God."

That was part of a stirring GAMBIT 50 speech by Tom Sheehan, who served as one of three GAMBIT 50 Co-Chair Couples with wife Liz (parents of Tommy Sheehan '25).

His address preceded a great dinner and tremendous auction in the Bernard J. Kennedy '49 Field House.

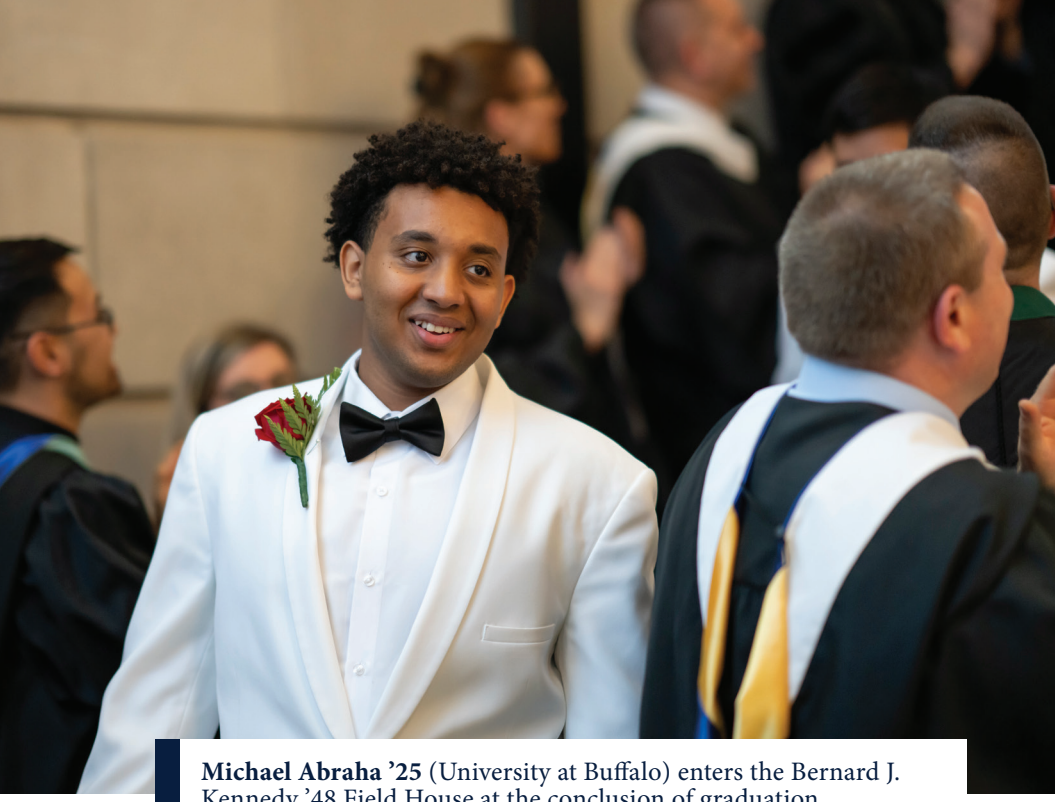

Co-Chair Tom Sheehan P'25 points off stage during his GAMBIT 50 address, along side Laura and **David Gioia '87**, and Susan and **Mike Mineo '96.**

That was the last stop for guests who entered 1180 Delaware Ave. through the Koessler Academic Center (also known as the Rand Mansion) and on to the Scaccia Auditorium, which hosted silent auction items and cocktail hour.

The golden anniversary of our annual blue-and-gold auction fundraiser gala was a tremendous success thanks to our outstanding CHS community, led by the GAMBIT 50 Co-Chairs – which also included Laura and **David Gioia '87** (parents of **Eric Gioia '25**) and Susan and **Mike Mineo '96** and Susan Mineo (parents of **Andrew Mineo '25**) – along with Director of Special Events Kelly Wilkens and GAMBIT associate director Allison Stravino.

An amazing Saturday evening concluded with the hundreds in attendance hearing students' stories and then raising their paddles for the GAMBIT 50 Jesuit Promise Fund, which provides much-needed assistance to our students.

Michael Abraha '25 (University at Buffalo) enters the Bernard J. Kennedy '48 Field House at the conclusion of graduation.

LEAVE A CHARITABLE LEGACY AT CHS

A charitable bequest can make a difference for future generations of Crusaders while taking into account your wishes and values.

▶ **A charitable bequest is a distribution from your estate to Canisius High School through your last will and testament.**

▶ **There are different kinds of charitable bequests with specific language to indicate the precise direction of your assets.**

▶ **A bequest to CHS made by will can have substantial estate tax savings, resulting in a larger inheritance for your heirs.**

▶ **As part of your overall estate planning, a charitable bequest can create a legacy for you and your family at Canisius High School.**

For further information and to request "Planning Your Legacy," a guide to providing for your family and supporting Canisius High School, please visit **canisiuslegacy.org** or contact Vice President for Institutional Advancement **Andy Deyell '91** at (716) 200-0265.

Alums from decades from the 1980s to today got together at Buffalo Riverworks just after Christmas for fun competition and camaraderie along with a great gathering afterwards at the CHS Alumni Hockey Game. The ceremonial face-off (pictured) was taken by the O'Donnell Family: **Kurt O'Donnell '85** (left) and CHS varsity club coach **Ryan O'Donnell '17** (right) with the puck dropped by **Aidan O'Donnell '21**.

William M. Biniszkiewicz '46 and wife Anne will celebrate their 75th wedding anniversary in August 2026. "The Good Lord blessed us with six children, 14 grandchildren and 14 great-grandchildren."

Ronald May '60 has discovered the joys of karaoke. "I have always loved and played music from the 1950s to the present – with karaoke, you actually are backed digitally by some of the best musicians around, past and present. At 83 years of age, I don't envision forming a new live band, so karaoke satisfies that urge" He is pictured at his first karaoke appearance in 2019.

Robert J. Gerace '60 retired from Paychex in 2010 as Senior Leadership & Management Trainer, retired from a 35-year career as an Adjunct Professor at Rochester Institute of Technology and is a retired Naval Reserve Intelligence Officer after 27 years (Captain O-6). He is still teaching, in his 14th year as an Adjunct Professor for Monroe Community College's Corporate College Division. The graduate of UB, Brown University's Graduate School of Banking and the Naval War College Graduate School and his wife Trisha Downey have three daughters, nine grandchildren and one great grandchild.

Edward J. Szczesniak '61 and his wife Mary Jane celebrated their 60th wedding anniversary on July 3, 2025.

George Chernowski '63 finished first in his age group in the Atlanta Half Marathon, which he ran with son **Joe Chernowski '95** and three of Joe's children on Thanksgiving morning. George also took second in his age group in the half marathon during Walt Disney World Marathon Weekend in early January.

Carmen Gentile '69 was published in The Buffalo News on Nov. 18, 2025 for his "My View" submission about former teacher Fr. Frank Redmond, S.J. headlined "Reflecting on Father Redmond." "Father Frank Redmond, S.J., who taught me Latin in both my freshman and sophomore years, was the force that made the biggest difference," Gentile wrote. "My interactions with him, many of which were humorous, influenced my thought processes and value systems for the better."

In what has gotten to be an annual event for the Class of 1972 on CHS Alumni Weekend in June, **Tony Manzella '72** graciously hosted a legion of Crusaders at his home. Food and drink and old tales were shared, but no pickleball was played this year. Pictured are all Class of 1972 alumni, seated left to right: **John Buszka '72, Mike Murray '72, John Lankes '72, Tony Manzella '72, Tim Sullivan '72** and **Mark McNamara '72;** standing (left-right): **Rocky Krysztof '72, Dan Cusella '72, Larry Korzeniewski '72, Mark Morgan '72, JP Powers '72, Dan Joyce '72, Tom Curtin '72, John Lagree '72, Jack Pawlik '72, Paul Moloney '72, Bill O'Connor '72, Paul Bonanno '72, Pete Heffernan '72, Frank Lopez '72, Joe Mancuso '72** and **Peter Martin '72**. Also attending were **Carl Dyczek '72** and **Joe Ruh '72.**

At the outstanding fifth annual Legend's Classic bowling tournament to benefit the **Patrick Kwiatkowski '72** Memorial Scholarship Fund, several of Pat's classmates joined the many bowlers and supporters at Mallwitz's Island Lanes to carry on in his memory. Ken Kencel '77, President and CEO of Churchill Asset Management and a past CHS Trustee, was the recipient of The M&A Advisor's 2025 Lifetime Achievement Award and was inducted into The M&A Advisor Hall of Fame at a ceremony in New York City in November. The M&A Advisor is the world's premier leadership organization for mergers and acquisitions. Kencel was recognized for a career defined by vision, integrity and lasting impact and for being instrumental in shaping the private credit industry – while serving as a mentor and leader who has guided and inspired countless professionals.

Robert Fischer '82 was featured in a front-page story in The Buffalo News about his September 2025 retirement as the manager of the House Democratic Cloakroom in the U.S. Capitol following a decades-long career. News Washington Bureau Chief Jerry Zremski reported that Fisher was lauded by Rep. Tim Kennedy of Buffalo, House Speaker Emerita Nancy Pelosi and House Democratic Leader Hakeem Jeffries. The street where Fischer grew up in South Buffalo – Densmore Street – is now also known as "Bob Fischer Way."

Peter K. O'Connell '82 was the subject of a feature in The Buffalo News written by **Erik Brady '72** headlined: "Even if you don't know Peter K. O'Connell, you just might know his voice." Brady wrote that O'Connell – who owns his own voiceover business in Raleigh, N.C., where he lives with his wife Andrea and their three children – is "a voiceover talent with a baritone known in the industry as the "Voice of God." REVELAS '18 BREAKS WORLD RECORD

Nick Revelas '18 and his family broke their second Guinness World Record for the world's largest chicken wing eating contest at their annual fundraiser, "A Not So Silent Night," on Dec. 20, 2025. More than 750 people were in attendance at the Buffalo Convention Center with 499 wing eaters taking part in the 5-minute record-breaking attempt. The proceeds of the event benefitted Horizon Health Services' teen mental health program. "I have been raising money and awareness to break the stigma of discussing teen mental health since I was a student at Canisius," said Revelas. "It is my honor that over the last 10 years we have raised more than $400,000 so that Horizon can go into Western New York high schools to talk to students, teachers and parents about mental health."

Joseph Mancuso '20 went on a medical mission to Guatemala which he described as an "incredible experience." Mancuso was part of a team of health care professionals and volunteers with Certified Medical Educators who delivered essential care to the rural villages in the city of Jalapa, including San Jose, Gracias a Dios and Cebollines. The team treated over 100 patients a day for five days in early January. Mancuso was able to raise $3,000 through his network that went towards the team's medical supplies and logistical expenses. Mancuso, marketing director for Modovolo in Oneida County, also received an award from the Mayor of Jalapa. After CHS, he attended a Jesuit university as he is a 2024 graduate of Le Moyne College. "This experience brought me back to my roots at Canisius and Le Moyne College (2024 graduate), where 'Men and Women for Others" was instilled in me. That value has driven me for years, and living it out on this trip was truly special."

IMPORTANT CHANGES TO OUR GIVING LEVELS

President's Society level giving will be defined as gifts $1,870 or greater.

Founder's Society level giving will be defined as gifts $1,000 or greater.

For many years, the threshold for entry into the President's Society has been $1,180 and the threshold for entry into the Founder's Society has been $500. These important giving levels help Canisius to cover the significant gap between the tuition charged and our operating cost, which has grown significantly. It is necessary to adjust these giving thresholds in order to support our current initiatives and allow us to better serve today's students.

For the current fiscal year 2025-26, the entry level to the President's Society is $1,870 anually (1870 was the year Canisius High School was founded). Entry into the Founder's Society is $1,000 annually.

We offer our utmost gratitude to our loyal donors for helping us ensure that every student has the transformational experience of a Canisius High School education.
