Dear Parents and Guardians,

I hope this letter finds you well. My name is Thomas Betz, and I am excited to introduce myself as your child's fourth and fifth grade teacher for this academic year. As I embark on my sixteenth year of teaching, I bring with me a wealth of experience from both upper elementary and high school classrooms. My journey in education has been deeply rewarding, and I am thrilled to continue nurturing a love for learning in your child.

On a personal note, I am the proud parent of three wonderful daughters, aged 9, 11, and 12, who keep my life vibrant and full of joy, as well as two lively shepherd dogs, who are always ready for an adventure. Balancing family life with teaching gives me a unique perspective on the challenges and triumphs you all experience.

One of my greatest passions as an educator is building meaningful relationships with my students. I believe in recognizing each child as an individual with unique strengths, needs, and interests. My goal is to create a supportive and engaging learning environment where your child feels valued and inspired to achieve their best.

I look forward to working closely with you and your child this year and am excited about the possibilities ahead. Please feel free to reach out with any questions or concerns as we move forward together.

Warm regards,

Thomas Betz
