Dear Parents,

Welcome to the 2026-2027 school year and welcome to C3! My name is Nancy Hagen and I will be your child's teacher this year. I have been a special education teacher since 2009 and this will be my ninth year at Mountain View Elementary. We are very fortunate to also have Miss Justina supporting our classroom again this year. I am excited to start this new school year with your child.

Some Important Information:

Please be sure to sign up for ParentSquare. This app is a simple way to send and receive information from the district, school, and classroom level. You can find more information about ParentSquare here: https://mdusd.org/communications . You should also be signed up for Aeires Homelink. If you need assistance with Aeries Homelink, please contact the school office.

School starts on Thursday, August 6th. School begins at 8:00 a.m. Parents and guardians are to drop students off at the entrance between the multi-use room and A building (the building that contains the office). In the afternoon, our class will be dismissed from the main entrance (the double doors by the office). This year, the school day ends at 2:30 pm. On Wednesdays (including the first day of school), school will be dismissed at 1:20 pm.

Back to School Night will be on Tuesday, August 11. More information to follow as we get closer to the date.

Our first few weeks of school will be filled with group building activities, learning and practicing school and classroom procedures, and some basic assessments of student skills. We will then be gradually beginning our small group work.

I am looking forward to working with your child and am excited for a great school year!

Please feel free to contact me if you have any questions!

Sincerely,

Nancy Hagen
