School Counseling Program End-of-Year Report (May 2026)

14,214
Total Contacts

SCUSD Counseling Department Vision Statement:

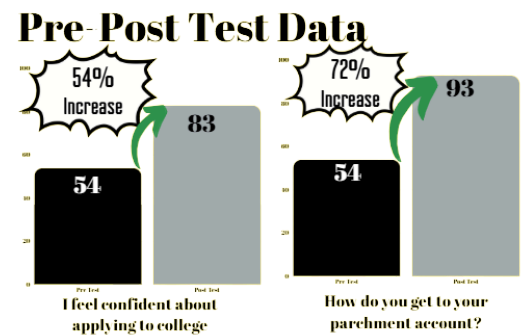

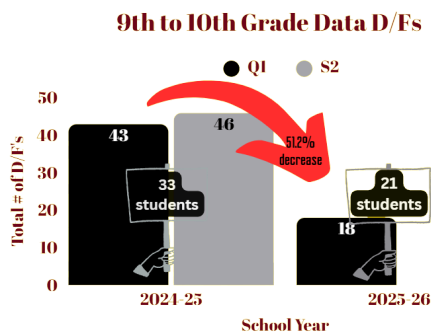

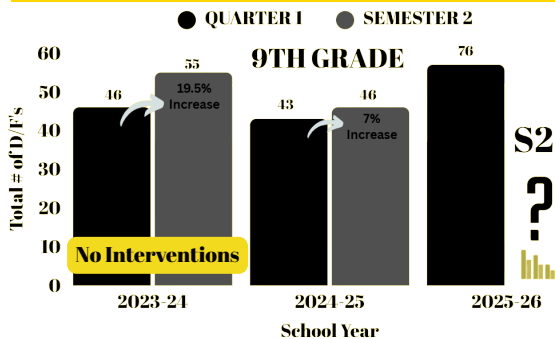

To eliminate the racial and socioeconomic predictability of student outcomes.

Counseling Department Mission Statement:

To provide a comprehensive school counseling program to address each student's academic, social-emotional and college and career readiness needs through a data-driven multi-tier system of support.

High School Annual Student Outcome Goal

- By the end of June 05, 2026, 9th Grade (class of 2029) Hispanic students with 1 or 2 D/F's in A-G coursework on the first quarter report card will decrease the total number of D/F's in A-G coursework on the second semester report card by 15% from 65 to 55.
- By the end of June 05, 2026, 10th Grade (class of 2028) Hispanic students with 1 or 2 D/F's in A-G coursework on the first quarter report card will decrease the total number of D/F's in A-G coursework on the second semester report card by 22% 18 to 14.
