Holland Patent School Counseling Goals

1. Support the academic development and college and career-readiness of all students.
2. Develop social emotional skills and support the mental and behavioral health of all students.
3. Develop attendance interventions to improve the attendance of chronically absent students.
4. 100% of students will complete career development/college and career readiness planning.
5. Develop a process and procedure for the counseling staff to analyze student data to set annual goals aimed at closing achievement and service gaps.
