**Student
Success**

We Believe...

Students and staff thrive in a **culture of trust and respect** that **values individual differences.**

A **quality education** addresses the **academic, cultural, artistic, physical, social, and emotional needs** of each student.

We Believe...

School and community involvement develops students' full potential and **builds compassion, character, empathy, and Comet Pride.**

A **well-maintained, safe, and secure environment** is **essential to student success.**

We Believe...

A high quality, nurturing, and collaborative staff inspires student success.

High expectations for all and celebrating goal-oriented growth and success **inspires student achievement.**
