

Teens will get hands-on experience on their road to success at our

Summer Training Class

Grades: 9-12

2 WEEK SESSIONS

2026 SUMMER INSTITUTE

DRIVE SMART: TEEN AUTO ESSENTIALS

Get road-ready this summer in our Automotive Training Class for grades 9–12! Perfect for new drivers or car enthusiasts, this class teaches essential car maintenance like oil changes, tire care, and battery checks. Students will get hands-on experience, explore careers in automotive tech, and build confidence under the hood. Free lunch included daily!
