Dear Residents,

We welcome you to a new school year in Wyoming City Schools. As supporters, you play an essential role in making our schools places where students thrive, talents are discovered, and futures are built.

Our district celebrates excellence in academics, in athletics, and in the fine arts in a school community that welcomes all. From the classroom to the stage, from the field to the community, our students achieve remarkable things - thanks in large part to your continued support. Whether you attend a game, enjoy a concert, volunteer your time, join one of our citizen committees such as the CAC, or simply take pride in our schools, you are an important part of our success.

We invite you to stay connected, get involved, and celebrate with us throughout the year. For those over 60 who do not have children in school, please consider joining the Golden Cowboys. Read Finance Friday, eat at the Harvest Fest, join us in singing at the Holiday Concert, and watch our three new primaries become a reality.

Thank you for your commitment to our district and for helping us make a difference every day.

Jeanie Zoller,
on behalf of the Wyoming Board of Education

Welcome to Wyoming City Schools!

The mission of Wyoming City Schools is to partner with families and our entire school community to cultivate innovative, student-centered educational programs and opportunities

that foster the academic growth and personal development of every child. As we begin this school year, we are focused on Laying the Foundation - Leading the Future. This theme reflects not only the exciting progress of our new primary school buildings, foundations that will serve generations of students, but also the intentional work taking place each day in our classrooms, where strong relationships, meaningful learning experiences, and shared values create the foundation for every student's success.

We are excited to work with you this year as we continue to bring our strategic plan

to life for every student and make this the best year yet for the students, staff, and families of Wyoming City Schools. The partnership between our schools, families, and entire community is what makes Wyoming so special, and this calendar is a great resource to connect you to many of the events planned throughout the school year.

I'm looking forward to partnering with you to support and celebrate our students as we lay a strong foundation and lead together, both in our classrooms and throughout our community.

Please don't hesitate to contact our schools or the Wyoming City Schools Central Office if you have any questions.

Sincerely,

Tim Weber
Superintendent
