

Stitchology

the artful science of sewing

with Miss Jane
Sessions July & August

3-Day Workshops
Tuesday - Wednesday - Thursday
at The 204 Cultural Center

Hands-on fun for beginner sewers!

Girls and boys aged 7 and up will enjoy sewing and creating at Stitchology. Your child will learn basic sewing skills, and will have the joy of making several fun projects perfect for novice sewists.

Summer Sewing Workshop

Summertime is an ideal time to enhance your child's development in creative and fun ways. STEAM (Science, Technology, Engineering, Arts, and Math) covers the full spectrum of development that will help your child succeed. **STEAM learning with sewing is lots of fun.** By exploring and learning a new skill, your child will develop confidence and will enjoy creating several project with the skills they learn.

Classes are divided into two skill groups to best meet individual needs. **Beginning sewers** meet mornings T, W, Th from 9am-Noon. **Continuing sewers** meet afternoons T, W, Th from 12:30-3:30pm. Your child may attend multiple sessions. Continuing sewers must have attended at least one beginner class.

LOCATION

- The 204 Cultural Center
204 Sisson Rd., Harwich, MA 02645
