PUBLIC NOTICE

On Tuesday, August 22, 2023 at 2:00 pm the Andrews Independent School District Board Room, 405 NW 3rd Street, a public meeting will convene.

Parents, teachers, principals, and representatives of nonpublic private schools serving children residing within the boundaries of Andrews Independent School District (AISD) are invited to consult with AISD regarding the development and implementation of Every Student Succeeds Act (ESSA) and the American Rescue Plan (ARP) Elementary and Secondary School Emergency Relief Fund (ESSER II and ESSER III).

Parents, public school employees, and representatives of private schools serving private school students in Andrews County who are eligible for special education services are encouraged to express views concerning the method of conducting the annual count of private school children with disabilities, which children will receive services, how needs will be identified, what services will be provided, the delivery and location of services and the method of evaluating the services provided.

The district's plan for allowable use of these funds will be reviewed and revised as needed.

For additional information contact AISD Curriculum and Instruction officials on or before Tuesday, August 24, 2023 at telephone number 432-523-3640.
